1. Discussion and decision on name of the programmes of B. Tech Paint Technology Discipline.

After Deliberations it was unanimously decided to keep the name of the programme as “B. Tech. Chemical Technology - Paint Technology”.

2. Discussion and decision on structures of B.Tech. programme.

The course structure provided by academic section of HBTU was discussed and after deliberations, the First year course structure and syllabi were unanimously accepted as such as furnished by Academic Section of HBTU, Kanpur course structures and syllabi for Third

Semester to Eighth Semester (2nd year to 4th year) were discussed at length. The final course structures and syllabi are annexed herewith as Annexure I.

3. Discussion/modification in the name of courses offered for B. Tech- Chemical Technology – Paint Technology by Paint Technology department.

The titles of various courses and practical laboratory works were discussed. The approved course titles are given in the course structure annexed at Annexure I.

4. Discussion/modification/improvement in detailed syllabus of courses of B. Tech- Chemical Technology-Paint Technology offered by Paint Technology department.

The detailed course syllabi and their contents of each theory course as well as laboratory/practical course were thoroughly scrutinized and deliberated upon. The final courses and their syllabi is annexed at Annexure I.

5. Discussion/modification of the courses and their syllabi offered by other Departments.

The courses to be taught by other departments e.g. Chemistry, Electrical Engineering, Electronics Engineering, Civil Engineering, Computer science Engineering, Mechanical Engg., Mathematics, Physics and Humanities departments, during semester I-VIII were furnished by respective Departments. However, the syllabi of the courses offered by Department of Chemical Engineering were included as per the suggestions communicated by HOD, ChE vide his letter No. 275/Chem. Engg/18, dated 22.06.2018. All the courses of the syllabi of other departments were scrutinized and deliberated upon. Several suggestions were given by expert members. The experts suggested that the departments should provide updated list of reference books along with the CO's and PO's as per format of NBA accreditation. It was also suggested to maintain the uniformity by all the departments. The course content of some of the department was not as per directive prescribed by university. Therefore, It was decided that the modified syllabi provided by Departments will be discussed among faculty members of the Department and The Chairman, BOS was authorized to approve the courses and their contents.

6. Any other matter with permission of Chair.

The suggestions sent via email by Mr.V.N.Dubey, Industry Nominee, were put before the expert members. The expert members found the suggestions, valuable and accordingly, they were incorporated into the syllabi.

List of experts (expert panel) for B.Tech Practical Examination was also approved by the members.

At the end, the Chairman BOS thanked all members and invitees for Sparring time and Furnishing important and useful inputs in improving the course syllabus

The meeting ended with vote of thanks to the chair.
