Dear Sir/Madam,

Harcourt Butler Technical University (formerly known as Harcourt Butler Technological Institute, Kanpur, Estd. 1921) is one among the pioneer institutions in the field of engineering and technology, innovation and training since 1921. Harcourtian's are achievers - an eclectic mix of ambition, creativity, enthusiasm, persistence and integrity. The University has well developed degree programs in various disciplines of Engineering and Technology. The undergraduate programs are offered in Chemical, Civil, Mechanical, Electrical, Electronics Engineering, Computer Science & Engineering, Information Technology and Chemical Technology (Biochemical Eng., Food, Leather, Oil, Paint & Plastic Technology). The postgraduate programs are offered in Computer Science, Civil, Chemical, Mechanical, Electrical and Electronics Engineering along with Chemical, Oil and Plastic Technology, M.C.A., M.Sc. and M.B.A. The University is producing quality engineers and technologists compatible with world standards to deliver the benefits of developed technologies to the society. The University has competent faculty and programs for all round development of the students. Our graduates are known for their competence in specialized areas of industry. For further details, you can refer to the University Brochure enclosed with this letter.

The new batch of graduates and postgraduate engineers/ technologists will be available from the first week of September 2023, to meet the scientific and technical manpower requirements of adventurous, growth oriented, esteemed organizations of the country and abroad. I, therefore cordially invite you and your team to interact with us, visit the University and hold the Campus Interview(s) on the date(s) convenient to you. Else, please send your requirements so that we may notify to our students and accordingly we shall send the resume of interested/suitable candidates for your kind consideration.

Looking forward to have a symbiotic long-term relationship with your esteemed organization.

Yours Truly

Prof. Anita Yadav
