

**International Conference on  
Design, Materials & Manufacturing Concerns in Production  
of Quality Engineering Goods**

**March 27, 28 & 29, 2017**

(Sponsored by TEQIP-II, World Bank)

**DECLARATION FROM AUTHOR(S) AND TRANSFER OF COPYRIGHT  
AGREEMENT FOR PUBLICATION**

The signed statement must be returned to the Conference Co-ordinator within two days of receipt of the Declaration and Transfer of Copyright Agreement. The intent is to protect the interests of authors, editors and the publisher and to specify reasonable rights of interested parties related to the publication and reuse of the material.

The undersigned hereby assign(s) to the Editor of the Conference Proceedings the copyright ownership of the research paper in case of its publication and to extent transferable under applicable national law. This assignment gives the Editor the right to register copyright to the research paper in its name as claimant and to publish the research paper in any print or electronic medium.

By signing this Agreement, the authors warrant that:

1. The research paper is original and has not previously been published elsewhere.
2. The work does not infringe on any copyright or other rights in any other work.
3. All necessary reproduction permissions, licenses and clearances have been obtained.
4. The authors owning the copyright in the research paper are authorized to transfer it, and have full power to enter into this Agreement with the Editor.

Title of the research paper: \_\_\_\_\_

Author(s) \_\_\_\_\_

This Agreement must be signed by at least one author on behalf of all the co-authors of the research paper.
