

Notice

All the Candidates, seeking admission to M.Tech.programme running in the University, are required to come with Aadhar Card/ Voter Id Card as their identification proof and other necessary educational and PROFESSIONAL DOCUMENTS with one photocopy of each document, whatever applicable on due dates in the concerned departments at 10 A.M.

The documents will be verified on department level for ensuring the candidature of the candidate. The candidate with invalid GATE score will be treated as NON Gate Candidate.

The seats for M.Tech. FULL TIME will be filled through GATE score based on their category and merit in GATE score. In case of un-filled seats, the remaining seats will be filled through NON GATE applicants. The admission to NON-GATE candidate will be processed based on their score in the written test, if needed, which may be organized by the concerned department for duration of 30 min. with 30 questions along with due evaluation and further processing (1 mark per correct answer and 0.25 mark per incorrect answer). There will be no limit of qualifying marks. The result list will be pasted by concerned department and will have to be conveyed to Dean of Academic Affairs, Registrar and to undersigned for further processing.

The identification proof of respective candidate will work as their identity and no separate admit card will be issued for the written test. The format of question paper is attached for further processing.

The list of eligible candidates will be downloaded from the University website by respective department for necessary processing.
