All Head of Departments

All new entrants of the University (I B.Tech., I M.Tech., I MCA and new Ph.D. students) will be governed by the new Ordinances which are being finalized. Accordingly, a new scheme of course codes has been agreed by all concerned and is being attached herewith for ready reference.

New course numbers for I B.Tech. subjects for Engineering Stream (CE/EE/ET/ME/CS) and Technology Stream (BE,FT,OT,PT,PL,IT,LT,CH) along with their evaluation schemes for current semester is also attached. Kindly inform all the faculty members offering I B.Tech. courses to take note of new course codes and the evaluation scheme.

All the Departments offering M.Tech. / MCA courses are required to adopt new subject codes for their I M.Tech. and I MCA courses. Departments offering Ph.D. programme are also required to adopt new course code scheme for 1 Year Ph.D. courses.

Further, there will be only one Mid Semester Examination of 1:30 hours duration for I B.Tech./ I M.Tech. / I MCA students. Maximum marks for Mid Semester Examination for a purely theory course (such as EME-101 3(3-1-0)) will be 30 marks while for a course having practical classes along with theory course (such as BPH-101 4(3-1-3)) will be 20 marks.

This change is only for new entrants of session 2017-18 and will not apply to earlier batches.

Dean, Academic Affairs
