Workshop on

Research Management & Scientific Writing

2nd September, 2024

Organized by:

Research and Development Cell
Harcourt Butler Technical University
Kanpur, Uttar Pradesh-208002
Website: www.hbtu.ac.in

ABOUT UNIVERSITY

Harcourt Butler Technical University (Formerly Harcourt Butler Technological Institute, Kanpur) has always been a paragon and a source of inspiration in the field of science and technology since the year 1921. As per Act No. 11 of 2016 by the government of Uttar Pradesh it is upgraded to University, i.e, Harcourt Butler Technical University, Kanpur (HBTU, Kanpur). The University has been established with a view for making it a leading Residential University w.e.f 01.09.2016 to become a “Centre of Excellence” with focus on Research and Development.

The University offers thirteen Undergraduate Programmes (B.Tech.) in Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics Engineering, Information Technology, Leather Technology, Mechanical Engineering, Biochemical Engineering, Food Technology, Oil Technology, Paint Technology and Plastic Technology and one undergraduate programme in Bachelors of Business Administration (BBA) programme. It also offers M.Tech. programmes in eleven specializations. In addition, it runs a regular Master of Computer Application (M.C.A), Master of Business Administration (MBA), Master of Science (M.Sc.) in three streams (Physics, Chemistry and Mathematics). The University also offers doctoral programme in all the departments.

Four departments of the University namely, Civil, Mechanical, Electronics and Chemical Engineering are recognized Quality Improvement Program (QIP) Centres for Ph.D. programmes.

The University provides a congenial environment for the holistic growth and all round development of the students such that they become globally acceptable personalities with communication skills, aptitude, problem solving capabilities and to work as a team.

ABOUT WORKSHOP

The workshop focuses on different aspects of Research Management and Scientific Writing.

Research plays a key role in gaining competitive advantage in terms of technological gains for achieving higher economic growth in a market driven economy.

The aim of this Workshop is to train the participants about the mechanism of Research Management and Scientific Writing and motivate them for doing further research and development in their chosen areas.

OBJECTIVES OF WORKSHOP
