<p>ABOUT THE UNIVERSITY</p>	<p>ABOUT THE RESEARCH AND DEVELOPMENT CELL</p>	<p>KEY THEMES</p>
<p>Harcourt Butler Technical University (Formerly Harcourt Butler Technological Institute, Kanpur) has always been a paragon and a source of inspiration in the field of science and technology since 1921. Now, as per Act No. 11 of 2016 by the government of Uttar Pradesh it is upgraded to university. The University has been established with a view for making it a leading Residential University w.e.f. 01.09.2016 to become a “Centre of Excellence” with focus on Research and Development and Incubation in the field of Engineering, Technology, Basic & Applied Sciences, Humanities, Social Science & Management and other professional courses. HBTU, Kanpur, aims to promote studies, research & innovation in engineering areas of higher education, to enhance skill development through continuing education programs and to achieve excellence in higher technical education. The University provides a congenial environment for the holistic growth and all-round development of the students such that they become globally acceptable personalities with communication skills, aptitude, problem solving capabilities and working as a team. HBTU Kanpur has received aid from the World Bank (Phases TEQIP-I, TEQIP-II & TEQIP-III) for various developmental projects. The faculty members have contributed large numbers of research papers in Indian as well as international journals. Besides, many R&D Schemes sponsored by D.S.T, U.G.C, I.C.A.R, D.R.D.O., U.P.C.S.T., C.S.I.R., D.A.E., I.C.M.R., D.O.E. and Ministry of Civil supplies have been successfully completed.</p>	<p>The Research & Development (R&D) Cell of HBTU, Kanpur serves as a central body for promoting and coordinating research, innovation and consultancy activities across the university. It aims to create a vibrant research ecosystem by encouraging high-quality scholarly work, interdisciplinary collaboration, and industry-academia partnerships. The R&D Cell facilitates funding from national and international agencies, publications in reputed journals, patents, and technology transfer. It also supports faculty members, research scholars, and students through policy guidance, administrative assistance, and capacity-building programs such as workshops, FDPs, seminars, and conferences. By fostering innovation and translating research outcomes into practical solutions, this Cell significantly contributes to academic excellence and societal development.</p> <p>OBJECTIVES THE WORKSHOP</p> <p>The main objectives of the workshop are to -</p> <ul style="list-style-type: none"> • strengthen understanding of fundamental and advanced research methodologies, • develop skills in research paper writing by understanding of problem formulation, literature review, and data analysis, • understand the process of writing and filling patents for successful publication or grant, • develop skills of project proposal writing for ANRF, UPCST, DBT, ICSSR etc. 	<p>The key themes of interest of this workshop are listed below:</p> <ul style="list-style-type: none"> • Research design, methodology, and validation techniques. • Scientific writing, publication ethics, and plagiarism prevention. • Data-driven research, AI & computational tools. • IPR, patents, and technology commercialization. • Effective writing of research project proposals in science and interdisciplinary areas. <p>WHO CAN ATTEND?</p> <ul style="list-style-type: none"> • Faculty/ Researchers/ Scientists from academic/ technical institutions/ industries and R&D Centers. • Postdoctoral/Ph.D./PG students from various institutes, universities and research organizations. <p>CERTIFICATION</p> <p>The certificates of successful participation in the workshop shall be given to those participants who will attend all the sessions.</p> <p>REGISTRATION FEE</p> <p>There is no registration fee to participate in this workshop.</p> <p>CONTACTS</p> <p>Dr. Shivam Shreevastava Mob. No. 8527904993, shivam.s@hbtu.ac.in Dr. Abhinava Srivastav Mob. No. 9198086919, abhinava.s@hbtu.ac.in</p>
