Mobile No: 08755541033

Experience

Designation	Employer	From	Upto
Assistant Professor (On Contract through TEQIP III)	HBTU Kanpur	04/09/2018	Working

Academic Details

Year	Qualification	Institute/Board	CGPA/Percentage
2014 - 2016	Master of Technology in Transportation Engineering	Indian Institute of Technology Delhi	7.96
2010 – 2014	Bachelor of Technology in Civil Engineering	Institute of Technology, Guru Ghasidas Central University, Bilaspur Chhattisgarh	9.03

Major Projects

- **Quantification of Variability in Recycled Asphalt Mixtures.**
MTech Major Project (May 2015 to June 2016)
Guided By; Dr. Aravind K. Swami Assistant Professor IIT Delhi.
- **Workability and strength properties of Self-Compacting Concrete.**
B.Tech Major Project (April 2013 to May 2014)
Guided by; Professor Shailendra Kumar, HOD Department of Civil Engineering IT GGV.

Term Papers and Training

- Handling Missing Data issues in transportation engineering.
*February – March 2015, Submitted to Dr. A.K. Swami, Assistant Professor, Civil Engineering
Department, IIT Delhi*

- Sample size needed for calibrating trip distribution and behaviour of the gravity model.
December – January 2015, Submitted to Prof. Geetam Tiwari, Professor, Civil Engineering Department, IIT Delhi
- Training in RITES Limited, “Understanding the various phases in Construction of Geology Building in GGU Bilaspur”.
April – May 2013, Report submitted to department of civil engineering IT GGU Bilaspur.
- Workshop on "Characterization of Modified and Unmodified Asphalt Binders using Dynamic Shear Rheometer (DSR)" 18th February 2015 IIT Delhi.
- FDP Programmes conducted by IIT Indore and IIT Kharagpur under TEQIP III Programm.
