Dear Dr. Kohli,

Greetings from TCS!

Its good to hear from you after long time. I hope and wish things are good at your end!

This is to confirm, mentioned CS/IT/MCA Syllabus is approved from our end.

In order to keep students informed about Industry practices and latest updates, I propose to extend our help by conducting few guest lectures on latest technologies/soft skills (Digitally based on student's availability). These 2 hours digital sessions would be part of our Academic Interface Programme (AIP) initiative, where we offer TCS support to our academic partners without any cost. Kindly let me know your thoughts on the same.

Regards,

Vishal Seth
