Event Report

The Department of Food Technology, Harcourt Butler Technical University, Kanpur, successfully organized a One-Day **Online Webinar** titled “**Safety Management in Process Industries (SMPI 2021)**” on 28 September 2021, from 11:00 AM to 5:00 PM (IST). The webinar was conducted in online mode through **Google Meet and YouTube Live**, with the objective of enhancing awareness and understanding of safety management practices in process industries.

The program was organized under the **patronage of Prof. Shamsheer, Hon’ble Vice Chancellor, HBTU Kanpur. Prof. Alak Kumar Singh served as the Chairman of the webinar**, while the event was convened by **Dr. Deepak Yadav and coordinated by Dr. Anit Kumar and Dr. Vivek Kumar**. Their collective efforts ensured the smooth planning and execution of the webinar.

The webinar featured expert speakers from industry, including **Mr. Pankaj Agrawal, Deputy Manager – EHS, Nectar Lifescience Ltd., Chandigarh, and Mr. Shubham Agrawal, Assistant Manager, ONGC Petro Additions Ltd., Dahej, Gujarat**. The speakers shared valuable insights on industrial safety management systems, hazard identification, risk assessment, occupational health and safety practices, and regulatory compliance in process industries. Real-world case studies and practical examples enriched the learning experience for participants.

The webinar witnessed active participation from **more than 80 students, research scholars, and faculty members**, who benefited from the interactive discussions and question-and-answer sessions. The program successfully sensitized participants to the importance of safety culture, preventive strategies, and professional responsibility in industrial environments. The event concluded on an informative and impactful note, reinforcing the department’s commitment to industry-oriented learning and holistic professional development.
