# हिंदी दिवस & TEACHER'S DAY CELEBRATION

## Event Report

The Department of Food Technology, Harcourt Butler Technical University (HBTU), Kanpur, under the aegis of the Association of Food Technologists, successfully organized a joint celebration of **Hindi Diwas and Engineer's Day** on **13 September 2024** at 3:00 PM in the Seminar Hall, Department of Food Technology, HBTU Kanpur. The programme was conducted with the objective of creating awareness among students about the importance of the Hindi language, emphasizing its cultural, scientific, and professional relevance, particularly in the lives of engineers and technologists.

The programme commenced with insightful and motivational addresses by senior students Shivam Bhaskar and Aastha Pandey, who highlighted the significance of Hindi in everyday life and professional communication. Various student-led activities were organized, including speeches, a Hindi writing competition, poetry recitations, and song presentations, all of which were received with great enthusiasm. Students also delivered **PowerPoint presentations showcasing the role of innovation in food technology** and its application in their academic and research pursuits. A **quiz competition** on food ingredients conducted in Hindi further enhanced student engagement and learning.

The keynote address was delivered by **Professor Dr. Alak Kumar Singh, Head of the Department of Food Technology and Dean of Student Welfare**, who extended his greetings on the occasion of Hindi Diwas and Engineer's Day. He elaborated on the professional, cultural, and scientific importance of the Hindi language and emphasized its relevance in the daily lives of engineers. **Professor Dr. Anurag Singh inspired the audience through his self-composed poem**, while Assistant Professor **Ms. Aisha Rahman conducted the quiz competition** and encouraged active student participation.

The programme concluded on a positive and inspiring note, fostering cultural pride, creativity, and academic engagement **among 60-70 students**, and reinforcing the Department's commitment to holistic education.

## Glimpses of the event

Prof. Vivek Kumar, Head of the department delivering his insights by honoring the power of language and innovation in shaping ideas, technology, and progress to Food Technology Students
