Event Report

The Association of Food Technologists, Department of Food Technology, Harcourt Butler Technical University, Kanpur, successfully organized an **Expert Talk on 21 November 2025** at the Food Technology Seminar Hall. The session was graced by the distinguished alumnus **Mr. Ajeet Pratap Singh, R&D Head, Balaji Wafers Pvt. Ltd.**, and alumnus of the 2010 batch, as the keynote speaker. The program aimed to provide students with industry-oriented insights into research, innovation, and professional growth in the food technology sector.

During the expert talk, Mr. Singh shared his extensive professional experience, focusing on research-driven innovation, strategic thinking, and leadership in the food industry. He emphasized the importance of continuous learning, adaptability, and networking in building a successful and sustainable career. His interaction offered students a clear understanding of industry expectations and emerging opportunities in food technology and allied domains.

A key highlight of the event was the launch of the book titled “**The Arsenal of Gods**”, authored by Mr. Ajeet Pratap Singh. The book launch ceremony added a distinctive intellectual dimension to the program, reflecting the speaker’s creative and scholarly pursuits beyond the industrial domain. The author briefly introduced the theme of the book, sharing insights into its conceptual framework and motivating students to explore creative thinking alongside technical excellence.

The event concluded with an interactive question-and-answer session, where **more than 60 students** actively engaged with the speaker on topics related to career planning, innovation, leadership, and writing as a parallel intellectual pursuit. Overall, the program was highly enriching and inspiring, reinforcing the department’s commitment to holistic development by integrating technical knowledge, creativity, and lifelong learning among future food technologists.

Glimpses of the event

The Expert Talk and book launch of “The Arsenal of Gods” by Mr. Ajeet Pratap Singh. An inspiring session blending industry insights, innovation, and creative excellence.
