GROUP DISCUSSION SESSION

Event Report

The Department of Food Technology, Harcourt Butler Technical University, Kanpur, successfully organized a **Group Discussion (GD) session on 12 September 2025** at the Seminar Hall, Department of Food Technology, as part of its academic and skill development initiatives. The session was conducted for third-year and final-year students with the objective of enhancing communication skills, teamwork, critical thinking, and analytical abilities through structured and interactive discussions.

Students from both batches actively participated in the session, sharing diverse viewpoints on various academic and general topics. The exchange of ideas created an intellectually stimulating and collaborative environment, enabling students to improve their articulation, logical reasoning, and confidence while engaging in constructive dialogue.

The session was conducted **under the guidance of Dr. Arunima Singh, Ms. Aisha Rahman, and Mr. Vikas Yadav from the Department of Food Technology**. The faculty members encouraged inclusive participation, respectful communication, and well-reasoned arguments, emphasizing the importance of effective communication and teamwork in professional and industry-oriented settings.

At the conclusion of the session, the faculty members provided constructive feedback, appreciating **more than 50 students'** enthusiasm, clarity of thought, and collaborative approach. Overall, the group discussion session successfully met its objectives by fostering interaction between third-year and final-year students while strengthening essential professional skills such as leadership, critical reasoning, and effective communication within the Department of Food Technology.

Glimpses of the event

The Group Discussion session showcasing active participation and exchange of diverse ideas among students. An engaging platform that strengthened communication, critical thinking, and teamwork skills.
