5.4.2 (1) Annual Audited statement of accounts of the HEI highlight the alumni contribution duly certified by the Chartered Account/Finance Officer

Response of the HEI

In response to the query, it is to state that the Alumni Association of the University (erstwhile HBTI, Kanpur) is separate registered body established in year 2005 under the societies registration act which is approved by the competent authority. The Memorandum of Association clearly indicates that its objective is to provide a forum to establish a link between the alumni, staff and students of the University and to the general development of the University. This implies that the University and the H.B.T.I Alumni Association are two separate entities. As per the provisions of the HBTU Kanpur Act, Dean (Planning and Resource Generation) is also the coordinator of Alumni Cell as well as responsible for interaction with the Alumni of the University and encourages them for contributing to resource generation of the University.

Accordingly, the Alumni Association collects funds and utilizes the same for various developmental activities of the University. Specifically, Alumni Association does not contribute in the development of the University in direct payment but creates facilities based on the requirement of the University. Hence, the Alumni contribution is not reflected in the annual audited statements of the University. Rather it is reflected in the balance sheet of the Alumni Association.
