

HEI Response: Metric ID 3.6.3 and 3.6.4

As indicated in the DVV, the detailed report of each extension activity conducted mentioning the date and the number of participants has been given in the annexures alongwith the attendance sheet/ sample certificate of participation issued/ photographs in support.

However, it was mentioned in the DVV that **celebration of days will not be counted**, HEI would like to submit that during the celebration of such special days (World Environment day, International day against child labor, International Yoga day etc.) the students and faculty members of the University (through NSS and Women Cell) conducts various extension activities like plantation drives in nearby areas, various awareness programs for village people, nukkad natak etc. All these extension activities are equally important to disseminate the social and national messages to the students and society. Hence, during these days HEI have conducted various extension activities therefore, they may also kindly be considered. Short description of these activities along with that day is also included in table of contents.

Extension activities organized by NSS/ Women Cell/ student groups of HBTU during session 2021-22

Demonstration of Modified Chullah at Village and School

This great initiative was taken by one of the faculty member of HBTU Kanpur. Dr. Pranav Chaudhari with his team demonstrated modern chulha to 02 different places Gyanshu and Pata in Uttarakhand on August 04-05, 2022. This chulha is smoke free and causes less harm to the users. This kind of chulha can cause a revolution and was widely appreciated by the villagers and other societies working in that area. The team also interacted with the students in that area and motivated them to build their careers in the field of science and technology.

EDUCATE POOR CHILDREN ACTIVITY (June 01, 2021)

Team NSS HBTU, KANPUR organized a program on Educate poor children on 1 June 2021. The main objective of this programme was to create awareness about education for poor children.

Team 'Saakshar' began with teaching children of the non-teaching staff of the college. This project aims to enable the holistic development of underprivileged students by imparting quality education free of cost. The 26 volunteers of NSS HBTU teach the students so that they prove to be an asset for their families and the country at large.

So, these were some of the important points covered in that session. At the end of the session NSS Convenor gave a speech.

SAVE THE ENVIRONMENT

(World Environment day with village people (05 June 2021))

On Sunday 5th June 2021, Team NSS HBTU organized an awareness programme to save our environment. All the students and faculty members participated with full energy in this programme. Honorable V.C. Sir and NSS Convenor Mr. Prathvi Pati Sir were also present at the program. The objective of this programme was to spread awareness among people about saving our environment from various types of pollution and to plant more and more trees to make our mother earth full of greenery.

Our program started with prayer at 8:30 am. All the students were given one sapling by the college Civil Department, which was to be planted all around the campus. After the start of the program, all the students started planting their saplings around the campus, as well as all the teachers also helped the students in planting. There were also some groups of students who were engaged in cleaning the college campus. The gardener of college was also making sure that all the students were doing the planting properly or not. After the plantation programme was over, all the students were sent to the Radha Krishnan auditorium.

In the auditorium NSS Convenor Mr. Prathvi Pati sir gave a very good and well-researched speech about how the condition of our environment today is and why we need to be aware. He also told us what steps we should take immediately so that we can make our environment healthy. In the end, he took a promise from all the 60 students that no one will pollute the environment and will not allow anyone to do so.

AWARENESS DRIVE FOR CHILD LABOUR

On 11 June 2021, team WOMEN CELL HBTU organized a webinar in the Radha Krishnan Auditorium in the presence of 34 students. In this webinar, Dr. Alakh Kumar Singh sir (Ex-Dean of Chemical Technology), Dr. Dipteek Parmar sir, Dr. Rekha Bali ma'am, and many other faculty members were also there.

The webinar was started at 10 am and with an introductory speech by Dr. Alakh Kumar Singh Sir, He said, "Children, by will or by force are employed to work in the harsh conditions and atmosphere which becomes a threat to their life. Child Labour leads to underdevelopment, incomplete mental and physical development, which in turn drastically affects the growth of children."

After this many intellectuals had presented their thoughts. They was fruitful discussion on Child Labour laws as well. In end, Dr. Reeta Singhal ma'am, Convenor WOMEN CELL HBTU, had given vote of thanks to everyone for joining us.

After this the volunteers of NSS and women cell proceeded to the slum area near HBTU and awared the parents to avoid child labour and provide the opportunities to their children to study.

A FITNESS DRIVE (INTERNATIONAL YOGA DAY)- 21 June 2021

On 21 June 2021 with great eagerness and enthusiasm at HBTU KANPUR, the drive was under the Women cell and NSS-HBTU Unit and coordinated by NSS convenor Mr Prithivi Pati sir and it was attended by 300 students. In this Dr. Vikas Yadav, Dr. Vivek Kumar, Dr. Ashwini Kumar Rathore, Prof Narendra Kohli and many other faculties were also present.

In this drive we did a walk from LV Old ground to Main Building. After this, Dean of Academic Affairs, Dr. Sunil Kumar sir explained the meaning of Yoga and then illustrated Pranayama and elaborated on its importance and benefits. Dr. Deepesh sir from Civil Department demonstrated the various Asanas and stressed on the need to practice them every single day. He elaborated the point that regular yoga practice leads to a better mental, physical and intellectual health. It positively changes the lifestyle of the people and increases the level of well-being.

Finally, the session was concluded by Prathvi Pati sir delivering the vote of thanks.

A Panel Discussion of Doctors

Doctors are considered next to God. In this panel discussion, we have acknowledged contribution and noble work by doctors. The panel discussion was organised at Radhakrishnan Auditorium. This was organised on 1 July 2021.

Honourable Vice Chancellor sir, Dr. Sunil Kumar sir, Dr. Vandana Kaushik ma'am, and other faculty members were present there. It started with an introductory speech by Vice Chancellor sir. He said, "All the doctors who work 24x7, day and night to ensure our good health and safety". He also have information about the Indian Medical Association.

In this panel discussion, doctors have imparted knowledge about various diseases, their precautions, importance of sanitation and many other things were covered as well.

There were 63 students along with WOMEN CELL volunteers who joined this discussion. In the end of discussion, there was questionnaire session held to solve the doubts of the students.

CONSTITUTION AWARENESS WEBINAR

On 17th July 2021, team NSS organized a webinar in the Radha Krishnan Auditorium to celebrate this. The event started at 11a.m. and it was hosted by NSS volunteers.

In this our speakers have provided knowledge about the constitution frameworks. Some highlights of this webinar were:-

1. "Our constitution protects people from genocide, crimes against humanity, war Crimes, and the crime of aggression."
2. "The Constitution protects the rights of every citizen."
3. "There was discussion on the fundamental rights and fundamental duties as well."

These were some of the important points covered in that session. At the end of this session, the NSS convener also told the audience of 26 students that knowing our laws and duties should be our top priority. Also, he gave a vote of thanks to all speakers for joining us.

LET'S CONNECT WITH PEOPLE (NATIONAL FRIENDSHIP DAY)

This event marks for the importance of friendship in life. It is the key for maintaining peace and harmony and generate passion for a better world where all are united.

The vision of this was to forge a strong bond of friendship of people of various countries irrespective of race, colour, gender, religion etc. Team NSS conducted a play on 1 August, 2021 instilling the idea that "Friendship has no religion. Caste and religion are meant to divide people. What unites the souls, is only love and friendship."

Our College with 92 NSS members, celebrated this festival and friends exchanged gifts, cards, chocolates, flowers, the friendship bands with each other to celebrate their bond. Through the play NSS showed how real friends provide us emotional support, help us, guide us and support us. Therefore, we say can say that friends make life amazing and full of joy.

MOTIVATIONAL TALKS FOR BLOCK YOUTH

(Celebration of Youth Day)

An event was organised by team NSS on 12 August 2021, in front of Radha Krishnan Auditorium. It was celebrated worldwide to amplify the message that action is needed across all generations to achieve the Sustainable Development goals and leave no one behind. We gathered 50 people specially youth to make them aware about this and its importance.

The event started at 11:00 am sharp wherein we raised awareness on certain barriers to inter-generational solidarity, notably ageism, which impacts young and old people while having detrimental effects on society as a whole. We also educated them about life of Swami Vivekananda who was one of the greatest philosophers and spiritual leader. We conveyed his ideas on how the young should participate in the modern world while upholding their values. We knew that this could be a great source of inspiration. We made them aware about the power of youth and the change they can bring if pushed in the right direction. Lastly, we pledged to join hands across barriers and work as one to achieve more equitable, just and inclusive world for all the people. The event ended within 3 hours and it went well. The world needs power of youth to bring a change and each and every person should know that he/she can contribute a lot in countries' development by doing small things.

VISIT OF GRAM PRADHAN TO GOVERNMENT OFFICE

On 25 August, 2021 team NSS visited Bithoor – a village nearby Kanpur and met with the Gram Pradhan of that village. After a successful meeting of team NSS with Gram Pradhan, he made a visit to the government office and discussed the things with the officials.

In that meeting, as initiated by NSS, Gram Pradhan discussed many things related to the problems faced by the children of Bithoor.

When the gram Pradhan returned from government office, team NSS again had a talk with him and he told team NSS that he had conveyed all our messages to them including the poor education of children, malnutrition and poor lifestyle of children.

The conclusion is that Pradhan visited government office regarding the problems faced by the children of his village and for this cause 54 team member of NSS along with its convenor, were present with him all the time that day.

PROGRAM ON NEW EDUCATION POLICY

“Education is liberation, Knowledge is Power”.

Team WOMEN CELL HBTU, Kanpur organized a programme on New National Education Policy 2020 on 5 September 2021 in the Radha Krishnan auditorium. The main objective of this programme was to create awareness about the newly launched National Education Policy-2020 amongst the teachers and students, to familiarize them with the skills to help them understand its nuances, curriculum changes, shift in the pedagogical skills and its implementation for the 360 degree holistic development of its stake holders, the 83 students participated in this.

The session began with the welcome note and introduction of the college Dean of Academic Affairs, Mr. Sunil Kumar Sir, who explained about the facts of this new education policy and some of the highlights of his thoughts are as follows:

The New Education policy came into existence when the Union Cabinet chaired by the Prime Minister Shri Narendra Modi approved the National Education Policy-2020 on July 29, 2020. This is the third Education Policy in India after independence (1968, 1986 and 2020). The new National Educational Policy-2020 seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country. Further he apprised the educators that the New Education Policy is based on the pillars of “access, equity, quality, affordability, accountability” and it will radically transform India into a “vibrant knowledge hub”. He also talked about the Skill development programs for preparing future ready students.

There was a Q&A session in which the teachers and students expressed their concerns and raised queries which were addressed by Mr. Prithvi Pati sir, Mr Sunil sir, Mr Alok Kumar sir etc. It was a very enriching and informative session. All the participants were filled with new zeal to start working on its implementation in their own spheres.

Celebration of National Literacy Day (8 September 2021)

National Literacy Day was celebrated on 8th September 2021.

WOMEN CELL HBTU Team celebrated the Literacy Day in its campus on Thursday with 150 students. The tag line of the event was “Literacy is the human right and basis of all knowledge”. The concept of literacy was elaborated among students in the morning. WOMEN CELL HBTU Convenor Dr. Reena Singhal said literacy was the prime requisite for learning and played a vital role in restraining population growth, curbing poverty, establishing gender impartiality and a bright promise for growth. Students were encouraged to opine about the significance of the day. Students of senior wing discussed their aspirations and future goals with their teachers. So, these were some of the important points covered in that session.

SEMINAR ON PRIMARY EDUCATION

On 13 September, 2021 team WOMEN CELL HBTU organized a webinar in the Radha Krishnan Auditorium to celebrate this day. The members of WOMEN CELL delivered their speech describing the importance of this day. 150 students were part of this auspicious event.

Some of the highlights of that webinar are as follows:

Having education in an area helps people think, feel, and behave in a way that contributes to their success, and improves not only their personal satisfaction but also their community. In addition, education develops human personality, thoughts, dealing with others and prepares people for life experiences.

Finding a job is not easy, especially in times of economic turmoil. You often need to compete with hundreds of other candidates for a vacant position.

One of the benefits of education is that the education system teaches us how to obtain and develop critical and logical thinking and make independent decisions.

These were some of the important points covered in that session. At the end of the session WOMEN CELL convenor gave a speech and delivered a vote of thanks.

SEMINAR ON THE IMPORTANCE OF FAMILY

NSS HBTU organized this on 3rd October 2021. Various activities were organized for the tiny tots to realize and perceive the value of family in their life.

It enabled 80 students to recognize that the family provides a sense of belonging and a unique identity to them. It also created a special emotional feeling among the students about their family.

The celebration started in the campus in which students were given an opportunity to express their feelings about their family. In groups the students were asked to make family tree with their photographs and names pasted on it.

Bulletin Boards were decorated with pictures and quotes depicting the importance of family. Fun filled activity oriented worksheets were prepared by the teachers to instill the message that family is like branches on a tree, that grows in different directions yet the root remains the same.

It was a day full of fun and excitement for the students and would definitely be a memorable day in their life. In today's fast-growing world, such activities revive and rekindle the importance of love and affection among the members of a family.

Finally, the session was concluded by NSS Convenor Prathvi Pati sir by delivering a vote of thanks.

LECTURE ON NOBLE PRIZE WINNER C V RAMAN AND EXHIBITION BY HBTU STUDENTS

WOMEN CELL HBTU successfully organised a lecture to promote the noble work done by Noble Prize Winner Sir C.V. Raman in the field of light scattering. This was organised on 28th February, 2022.

In this Dr. Sunil Kumar sir had shared a story behind the discovery of Raman Effect. He said, "A bit from where it all started was when Professor Raman got interested in researching about this phenomenon on his trip to Europe. In 1921, he got curious to know the reason behind the blue colour of the Mediterranean Sea. This led him to conduct various experiments with transparent surfaces, ice blocks and light. He then observed a change in wavelength after light passed through ice cubes."

WOMEN CELL HBTU also organized a science exhibition in which various new models were displayed by 300 students from various departments making this day a complete success. The Honourable Vice Chancellor, Prof. N..B Singh sir had inspected every model and provided his feedback. After this, the best models were selected and students who made them were awarded by Vice Chancellor sir.

Urban Conclave

Urbanization is an inevitable process that is fueled by modern innovation, technology and psychological changes of the citizens. The outcome of such process creates employment opportunities, brings about advancements in infrastructural, transportation and communication, improves quality of educational and medical facilities, and enhances the standards of living.

This event was organized on 5 October, 2021 in Lucknow and a team of 70 students of HBTU participated in the event. Various lectures on the role of youth in improving the urbanization and role of technologies in this regard were organized during the conclave. A team of professors also accompanied the students for this conclave.

National Women day

An event was organised by team NSS HBTU ON 13th February 2022. The Women's Day celebration week began at HBTU Kanpur with a round table conference/discussion on the topic "Women's Day: Women in Leadership Position", held at the Seminar hall of Civil Department. The event started at 11:00 am sharp with 100 participants. The session began with the welcome note and introduction of the college Dean Academic Affairs, Mr. Sunil Kumar sir, he explained about the facts of this day. This special day recognizes the advances made by women and girls all over the world. It is a day on which women, men, girls and boys come together to celebrate, show solidarity and recognise the dreams, aspirations and empowerment of women. Women's Day is an opportunity to commemorate the bravery of women in confronting injustice. It is a global day celebrated with love and honor for women hood. This day also makes a call to the action for accelerating gender parity. Gender parity is nothing but a service of equality, which consists in ensuring the access of women and men to the same opportunities, rights to choose material conditions.

So, these were some of the important points covered in that session.

Children day at Balbhawan Kanpur

On 14 November 2021, Team NSS HBTU/ Women Cell HBTU organized Children's Day in Bal Bhawan Kanpur.

But this year went very much different for HBTU Kanpur. On last years' children's day, the college authority took a decision to help 200 poor and distressed children with necessary books and clothing all around Sodepur area.

The whole college along with its students worked hard to fulfill their promise, they made to themselves last year. That's why this year's Children's Day went very special for the whole college. On this day they celebrated one year anniversary of their charitable decisions towards the distressed children.

The Bal Bhawan Kanpur was chosen as the venue for the program. After the opening with the cultural function, the NSS convenor went on stage and explained the soul significance behind the children's day celebration. Some new resolutions for the coming year were also taken by the authority.

College students performed a short drama depicting the whole of last year's agenda in just 18 minutes. In the end, some students were awarded Children's Day champions trophy for their notable contributions in the charitable service.

CORONAVIRUS AWARENESS

A seminar on Novel Coronavirus Awareness was organized on 29 December, 2020 in the Radha Krishnan auditorium in HBTU KANPUR.

The university premises were richly decorated with small festoons and banners. At 11 a.m., all the teachers, and students were present there. The program started with the arrival of Honorable Chief Guest V.C SIR, DEAN OF ACADEMIC AFFAIRS Mr. Sunil Kumar Sir and NSS Convenor Mr. Prathvi Pati sir. An eminent doctor P. Banerjee presented on the stage. The students welcomed all the guests with bouquets. Then the two eminent physicians delivered their highly valuable speeches on this pandemic. They shared their knowledge about the coronavirus, safety measures to prevent the virus, symptoms of Covid-19, and how the virus is spreading among people. They also clearly explained the ways to improve the immunity of our body and food habits. Then, Sunil Kumar sir presented an image like description about how coronavirus was reported on December 31, 2019 in Wuhan, China. Then, on March 11 WHO declared Covid-19 as a pandemic. A student of 1st B. Tech. CE, Soniya Choudhary recited a self-written poem about the Covid-19 pandemic. Then, two students presented a drama on how awareness is important for the students to defeat Covid-19. To make the programme more glorious, masks and sanitizers were distributed among the students on behalf of the medical department. At the end of the program, NSS Convenor Mr. Prathvi Pati sir delivered a short speech to the students and gave a vote of thanks to all for making the program a grand success. The 26 students left for home storing some good memories about coronavirus awareness in the layer of their minds.

Environment Pollution awareness programme

Environmental awareness is the understanding of natural environment protection and the activities that can cause harm to the environment. An awareness programme was organized on June 05, 2021 via online mode.

Convenor Dr. Prithvi Pati Sir told us that, "Some ways to take care of our environment is to practise recycling, follow proper garbage disposal protocol, avoid using our cars too much and rely more on public transportation instead." 50 students were there to listen and follow these golden words of convenor sir. Event was started at 4:00 p.m. and took 1 hour for completion.

COVID vaccination awareness drive

This initiative, was committed to the fight against Covid 19. The Covid-19 vaccines are the most potent weapon in our armoury in the fight against the pandemic and this can be won successfully by combined efforts of Governments and citizens. The major challenge with vaccination has been the “Vaccine Hesitancy” and this can be solved only by way of spreading awareness about the vaccines.

As a part of the drive we have also encouraged 100 students to express support and positivity around the Covid-19 vaccination drive by sending in their pictures while getting themselves the vaccine. They have also pledged to encourage vaccination in public interest.

A step further a few students also volunteered to come up with digital posters in order to increase awareness about the vaccination drive.

CLEANING ACTIVITY IN SLUM AREAS

In this event, volunteers of team NSS went outside the campus on 5 August 2019 to the nearby slums and localities of Nawabganj where they had performed the cleaning activity themselves and tried to explain the importance of cleanliness and hygiene to the members of society. They tried to bring their focus towards the problems which arise due to the lack of a healthy atmosphere. Volunteers explained to them the importance of cleaning drinking water and use of soap before and after going to the washrooms. There were 34 students participated in this event. Event was started on 3:00 P. M. And it took 2 hours to completely wrap up the auspicious event.

Our respected Convenor sir Mr. Prithvi Pati also joined us later on and talk with the people of localities and make them aware about the importance of cleanliness in their life. He said, "We must make our nation healthy and wealthy by making our surrounding clean and motivate others to do same.

CANDLE MARCH IN MEMORY OF FREEDOM FIGHTERS

NSS HBTU organized a small peace gathering on 15 September 2019 to remind ourselves of the sacrifices of our freedom fighters who fought for our freedom against British rule. Students gathered and lit candles and a few minutes of peace were observed in the university. There were 60 students participated in it. Faculty and students both contribute to these activities and it is the programs like this that continuously reminds us about the importance of our freedom which we owe to these freedom fighters who sacrificed their lives so that the next generation could live in a free India.

NUKKAD NATAK

Nukkad Natak has always been an important part of NSS and this year again NSS prepared a street theatre. On 26th January 2019 on the occasion of Republic Day, 26 students were part of a beautiful street theatre dedicated to the life of a soldier on the border. Along with the students our respected V.C.Sir Mr. N. B. Singh, our faculty members Mr. Sunil Kumar, Mr. Deepesh Singh, Mr. Vikas Yadav were also present. With this street theatre, our main objective was to display the problems faced by the soldiers who are protecting our lives in extreme conditions away from their families and ready to die for the protection of our motherland without thinking about their own family.

Our V.C.Sir addressed that the life of a soldier is never easy. He has to face various problems and still he is ready to die for our country. These lines of sir fill the hearts of students with great patriotism and enthusiasm.

EDUCATE POOR CHILDREN

Like every year we restarted our “**SAAKSHAR**” program and recruited first-year students as new teachers and rebuilt the program with more students on 1 July 2019. 26 First-year students have shown great enthusiasm towards our program and joined with great zeal. This program was a great utilization of the time of the first year which they usually spent in roaming around. It gave them a positive direction and made them more conscious of the responsibility which they have since now they are in college.

In this event, we selected an area in Vishnupuri where all the volunteers along with students were present. Events started at 11:00A.M. The subjects that were taught were Basic English, Hindi and a bit of Elementary Mathematics. Students were very happy to learn something new and were very thankful to their teachers. They request us all to teach them regularly. This events took 2 hours and was a great success.

International Yoga day 21 June (Onsite demonstration and online telecast)

The International Day of Yoga has been celebrated across the world annually on June 21 since 2015. Yoga is a physical, mental and spiritual practice which originated in ancient India. The Indian Prime Minister Narendra Modi, in his UN address in 2014, had suggested the date of June 21.

On the occasion of International Yoga Day, 700 students were present to perform various yoga and give the message that yoga is very beneficial for us and most importantly it's make us healthy and our life style comfortable.

The event was organized on 21 June, 2019 in the time duration of 2 hours early in the morning. Various yoga like Trikonasana, Balasana, Tadasana etc. Were performed by experts as well as students also tried these.

Jal diwas celebration

Jal Diwas is an annual United Nations observance day held on 22 March, 2020 that highlights the importance of fresh water. The day is used to advocate for the sustainable management of freshwater resources. The theme of each year focuses on topics relevant to clean water, sanitation and hygiene.

NSS HBTU organised this event on 30th March, 2019 so that students become aware of the importance of the fresh water and save them. Convenor Dr. Prithvi Pati sir also told students to save the water by closing the running tap in our college campus as well as outside the campus. 50 students were part of such an auspicious event and learned alot and got inspired by the words of convenor sir.

Extension activities organized by NSS/ Women Cell/ student groups of HBTU during session 2018-19

EDUCATE POOR CHILDREN

In an increasing population like ours with more than a billion people progressing towards growth, the world might forget the rights of the underprivileged children but we never. NSS HBTU, with exemplary moral values as the core of its foundation, took the initiative of teaching poor children in slums and other backward areas. Keeping the noble view of "Education for all", team **SAAKSHAR** under this initiative, taught the students with complete commitment, leading the students towards new horizons and opportunities. The 26 volunteers of the team provided the students with notebooks, bags, pens, pencils and all the other necessities. This was organised on 1 January 2018.

These students were very keen on learning things, they had hopes in their eyes and NSS HBTU has always been adamant on fulfilling those hopes. Team SAAKSHAR, ignited a learning spirit among these students and NSS HBTU will keep giving to others on a greater level.

STREET THEATRE ON CHILD MARRIAGE AND DOWRY SYSTEM

NSS HBTU believes and is focused on the idea that theatre has always been instrumental in conveying ideas especially to rather remote areas where modern media still has to develop its reach. To make people understand the havoc which social evils cause to the society and to seep in the important message to the grassroot level among the crowd, NSS HBTU organised Street Theatre on the topic of CHILD MARRIAGE AND DOWRY SYSTEM. This was organised on 5th February 2018.

With the view of representing the pain inflicted upon the life of the children involved in child marriage and the grave danger to the health and emotional well-being of the women who end up as a victim of dowry, the artists gave sensational performance and left everyone pondering about the world we live in.

There Were 84 members participated in it . The message was eloquent, with this masterpiece street theatre, NSS HBTU pleaded with everyone to understand the need of the hour and save our society from these evils.

NUKKAD NATAK

Patriotism is the thread connecting all the souls of our great Nation and while not everyone showcases it but we all respect it. We are a country rich in culture and traditions and among those various traditional media, is Nukkad Natak, where the performers take it to the street and stun everyone with their act. On 26th January 2018, NSS HBTU organised Nukkad Natak at the public place, Nawabganj on Patriotism.

The students of HBTU gave an enthusiastic performance, instilling patriotism in everyone present and people started chanting "Jai Hind" by the end. Total of 80 students participated in it. As Jawaharlal Nehru said, "Citizenship consists in the service of the country", NSS HBTU emphasized on this thought with the help of Nukkad Natak, leading to its huge success.

REMEMBERING OUR FREEDOM FIGHTER: Bhagat Singh, Sukhdev Thapar and Shivaram Rajguru

The death anniversary of our national heroes, Bhagat Singh, Sukhdev Thapar and Shivaram Rajguru, 23rd of March is declared as Martyrs' Day in India to remember their sacrifices and to pay them homage. In the memory of our freedom fighters who laid down their lives for the independence of our country India, NSS HBTU organized a candle march on 22nd March 2018.

55 students of the University gathered with candles, lit them and participated in the march in silence, paying tribute to the legends of our Nation and expressed their gratitude. In this Dr. Sunil Kumar, Dr. Vikas Yadav, Dr. Alakh Kumar Singh, Dr. Prabhat Verma and other Faculties members, also joined the march and NSS HBTU united everyone in respecting our freedom which came at the price of the lives of our freedom fighters. "We shall forever be in their debt.

COW PROTECTION DRIVE

The students of HBTU have the opinion that cows should be protected from slaughter and any form of violence at the hands of humans. The cow is considered as our mother. She provides us with milk and the least we can do in return is to protect her from harm. NSS HBTU, concerned with the rise of violence against cows, started Cow Protection Drive to address this heinous activity. It was organised on 5th April 2018.

First all students gathered and given brief about the initiative by Dr. Prithivi Pati sir and then students took to the streets and fed the cows and made people aware of their importance. Students of HBTU went to a cow shelter and provided authorities with the resources to take care of them. There were 60 students participated in it. The cow protection drive was followed by a peace rally by the students of HBTU.

GLOBAL DIABETES WALK

Diabetes has always been a major concern not only in India but in the world with the fact that it doubles a person's risk of early death. NSS HBTU, understood that the need to raise awareness among the general public about the metabolic disorder and educate them on the blood sugar levels are at an all time high. This was organised on 30 May 2018.

With this thought in mind, NSS HBTU conducted a seminar in Diabetes to help people understand the risks, causes and symptoms of diabetes and how to prevent it. The seminar was very engaging and even helped people to access medical facilities in case such a situation arises. Following the seminar, NSS HBTU also organized Global Diabetes Walk, to motivate people and especially youths to understand the risk of diabetes and to prevent it while they can. In this walk Dr. Deepesh singh, Dr. Brijesh Singh, Dr. Vivek Kumar and other faculties members and 50 students were also present. Banners and other resources were distributed and put on different places for a greater impact.

FUND COLLECTION FOR IT STUDENT CHINTU KUMAR SUFFERING FROM LIVER CIRRHOSIS

NSS HBTU is not just a club it is more like a family. A family which stands together in the times of sorrow. Our family was surrounded by dark times when one of our university student Chintu Kumar completing his Bachelor's in Information Technology was diagnosed with Liver cirrhosis. Doctors had confirmed that he had liver cirrhosis for which they were suggesting an urgent Liver transplant in Delhi. His treatment will cost approximately Rs. 20,00,000/-. The University stood and fought along his side by collecting as much fund as possible. Every student and faculty members of our college was the part of donation. There were 26 students participated in it. Apart from college donation, our volunteers went everywhere trying to get as much as fund for the treatment. This was happened on 28th August 2018.

With the combined support of our faculty and students and the combined efforts of our volunteers we collected an estimate of Rs. 18, 00,000/- from online and offline sources.

CANDLE MARCH FOR PULWAMA MARTYRS AND DONATION OF ONE DAY SALARY OF FACULTY AND STAFF

The heart-breaking moment was faced by our entire nation when 44 soldiers were martyred in Pulwama attack. In honour of Indian soldiers who were martyred during the Pulwama Attack by terrorist in Kashmir, the students and faculty of HBTU organised the peaceful Candle March within the College Premises.

Students and faculty members from all departments participated in the March. The aim of this march was to invoke peace and harmony. The candle march was a show of solidarity with our soldiers who brave the hazards of War, terrorism, and natural disasters to give safety and freedom to the countrymen. Such efforts go a long way in creating awareness among students and arouse a sense of national pride in them.

14th February 2019 was a Black Day for Indians. Peaceful gathering was also held in College Campus as well as in Hostels. There were 250 students participated in it . To show the tribute to our Indian Soldiers who were martyred during the Pulwama Attack by terrorist in Kashmir, an initiative was taken by NSS HBTU in which every faculty and staff of our college donated their one day salary to the brave family of our martyred soldiers.

Awareness program on solid waste management, road safety, cleanliness

While it is the government's and municipality's mandate to ensure that its citizens stay in a clean and safe environment, it is of concern that waste management remains a big challenge in urban areas especially in developing countries. Increased economic development, rapid population growth and improvement of living standards are among the factors attributed to increased quantity and complexity of solid waste being generated.

Considering this NSS HBTU has organised an awareness program on solid waste management, road safety, cleanliness on 10th January 2018 in presence of 50 volunteers.

Awareness Program on ODF and Importance of Tree Plantation

NSS HBTU organized a One-day Awareness Program under the umbrella of Harcourt Butler Technical University. This is a matter of pride for the college that it can facilitate the environment with various evoking programmes and events. Awareness programs at College premises are to increase the level of thinking among the students and staff. The programs are finely crafted under the guidance of many teachers and experts and above all the College Authority.

NSS HBTU has always focused on qualitative enhancement. The campus is eco-friendly and every year the staff and the students together celebrate the Tree plantation program with great responsibility and plant saplings to keep the college campus green and fantastically clean. This was organised on 10th April 2018 and 50 students volunteers take part in this.

CLEANING ACTIVITY IN SLUM AREAS

"Swachhta Ki Pathshala"

The NSS Unit of HBTU College organized a four days Cleanliness Drive under the Swachh Bharat Mission on 21 July 2017. The main purpose of this program was to address the issues of personal hygiene, public sanitation conditions, lack of awareness and the general issue of public attitude that withholds the population in taking a proactive attitude towards the problem i.e. the cleanliness.

The campaign focused on gathering as much attention as possible towards this issue as it is not taken seriously. The members of NSS unit visited a local slum- a camp of migrant workers where they explained the importance of cleanliness and underwent the motions of sweeping and garbage disposal along with the locals. The event of this mass awareness campaign involved a group of 26 volunteers who carried out an awareness rally.

Ingrained with the pure spirit of the Swachh Bharat, they vowed to keep up the efforts of clean environment on a personal level even after the Drive was over.

DONATING CLOTHES TO THE NEEDY

"It's better to donate than accumulate"

National Service Scheme (NSS) members at HBTU- KANPUR have collected over Kgs of old and unused clothes for donation in the year of 2017-2018 on 24 August 2017. Students appreciate the chance to prevent wastage. Our preferences keep changing so we have many unused clothes. "This is a great solution" said by our seniors.

The drive took place in three parts. *First part* includes cloth collection from hostel. NSS volunteers placed cardboard collection bins in common areas where students could leave their unused clothes. *Second part* covered volunteers approaching the quarters of professors and non-teaching staff for old clothes.

The last part includes graduating seniors who can donate clothes, mattresses, bedding and possessions as they no longer need them.

In this way we have completed our CLOTH DONATION DRIVE very effectively and efficiently with the active participation by all the 10 NSS team members.

CLEANLINESS DRIVE

Mahatma Gandhi, the father of our nation gave the mantra “Cleanliness is Godliness” as he had a dream to make a clean country.

Clean India or Swacchh Bharat Abhiyan is a national level campaign with an aim of cleansing India of unwanted filth from the society. As a part of our contribution to the government’s initiative to clean India, the team members of NSS HBTU participated in the drive near ZOO area on 21 September 2017, municipal parks and Green Belt area in which about 50 students of the HBTU's NSS team gathered. They were fully geared up to demonstrate the community to lead their practices in waste recycle management production of usable products by recycling and innovative use of scrap material.

They campaigned its necessity as a small step towards creating a ‘Swachh Bharat’. The students also demonstrated production of reusable masks to be used in the current scenario. The students and professors were very enthusiastic and they were very receptive and participated very well.

REMEMBERING OUR FREEDOM FIGHTER: CHANDRASHEKHAR AZAD

"Azad hi rahein hain, azad hi rahenge"

National Service Scheme is a platform which inculcate social ethics among the students. Continuing this, NSS HBTU conducted an event on 25 July 2017, in which we remember the great son of motherland India, Chandra Shekhar Azad, who is an exemplary and brave freedom fighter. The session started with an introductory speech by Dr. Sunil Kumar sir (Dean of Students Welfare) in which he threw light on the life of Chandrashekhar Azad. He said, "Chandrashekhar Azad was Born on 23 July 1906 in Bhavra village, Jhabua district Madhya Pradesh, he went to Varanasi for higher studies and subsequently became fascinated and was drawn towards the national upsurge of the non-violent and non-cooperation movement under the leadership of Mahatma Gandhi." Also, sir had told about the various incidents related to Chandrashekhar Azad.

In the end, around 60 members took a 2 minutes silence in remembrance of Chandra Shekhar Azad. His unwavering devotion, undeterred determination & ultimate sacrifice for our motherland has inspired many generations and will inspire our future generations as well. Inquilab Zindabad!

Career related opportunities after intermediate

1st December 2017 marked a career counselling session with 50 students in the calendars of PADHAKU. The students from class 8th to 12th were informed about the different courses of education and career prospects. The session was highly interactive with well informed volunteers and inquisitive children and we hope that this session would help them mould their ambitions and achieve them with a better approach.

Pledge taking ceremony to keep campus clean

NSS HBTU organised an event in Campus in which many students took part as it was pledge taking ceremony to make the campus green and no use of plastics. The event started early morning at 8:00a.m on 25th Oct 2017 in presence of 200 volunteers.

A decision was taken to plant more saplings, and make the campus free from use of plastic and to maintain cleanliness in the campus. Convenor Dr. Prithvi Pati sir spoke on the need to protect the 'green cover'. He said that, "To go green is to strive for sustainability and protection of the environment. In the backdrop of global warming and environmental deterioration, students will completely stop using plastic and contribute to a green, clean and plastic free campus."

Celebration of Hindi diwas

Hindi Diwas or National Hindi Day is celebrated every year on September 14 to mark the adaptation of Hindi as the official language by the Constituent Assembly on September 14, 1949. Total 100 individuals have participated in this.

On this day HBTU was decked up for the celebration and people come dressed in Indian ethnic wear. Many people come forward to talk about the importance of Hindi language and Indian culture. It is a day to stress upon the importance of Hindi language which is losing its significance in the country where English speaking population is considered smarter.

Hindi Diwas is a great step to emphasize the importance of our national language as well as our culture.
