## HEI Response: Metric ID 3.6.2

### HEI Clarification regarding change in Metric 3.6.2

As indicated in DVV, **awards related to research innovations not consider**, the same have been removed from the list.

Now, the information provided under 3.6.2 (Total number of awards and recognition received for extension activities from Government / Government recognized bodies year wise during the last five years) contains various awards/ certificates for winning/ participating/ contribution in organizing various events like workshops/ competitions/ summits/ **social activities** etc. organized by different organization as well as the extension activities organized through **NSS and Women Study Centre (WSC), HBTU, Kanpur outside University campus**. In recognition to the outstanding contribution by WSC, the “Gram Pradhans” (Village Heads) of respective villages have given “Letter of Appreciation” to the entire WSC team of the University, comprising of faculty members and students. The same are given in the list.

Awards received by the faculty members for their outstanding contribution to society are also included. The detailed list of awards/ recognitions received as well as the e-copies of the certificates are attached in annexures.

HEI wants to submit that, through NSS various extension activities are organized in rural areas and students of the University have actively been involved and have immensely contributed for the welfare of the rural people. All such students are recognized by the University through University Student Activity Council (USAC) every year.

Due to above mentioned reasons, there is a slight change in the data provided for 3.6.2 (Total number of awards and recognition received for extension activities from Government / Government recognized bodies year wise during the last five years).

### **HEI Response:**

3.6.2.1. Total number of awards and recognition received for extension activities from Government/ Government recognized bodies year-wise during the last five years.
