Dear Dipteek,

It is my pleasure to inform you that the Editor of the Journal of Hydrologic Engineering has selected you to receive the 2021 Best Discussion Award for highlighting a set of significant issues that deserve further discussion and providing important clarifications in the context of study area, hypothetical scenarios, and model calibration, which enrich the topics covered in the original article.

We would normally present this award to you at the 2021 EWRI Congress but because of COVID-19, the 2021 Congress will be virtual so we will have to mail this award to you. Please let me know the address you would like me to use for this mailing.

We hope that you will attend the virtual Congress this year, see [www.ewricongress.org](http://www.ewricongress.org) for more information about registration and the technical program.

Please accept my personal congratulations on this important milestone in your career.

Sincerely,

Mohammad Karamouz, Ph.D., P.E., D.WRE, F.ASCE
