E-content developed by teachers for SWAYAM

E-content developed by teachers for Government Initiative

<https://drive.google.com/file/d/1qFYpykebOIU70sHrMsF-cwzrzNyq6i-o/view>

The image shows a screenshot of a Microsoft PowerPoint presentation. The title slide is titled "Symmetric Encryption". The slide content includes a list of bullet points:

- or conventional / private-key / single-key
- sender and recipient share a common key
- all classical encryption algorithms are private-key
- was only type prior to invention of public-key in 1970's
- and by far most widely used

The presentation is displayed in a window titled "U2 CNG (Compatibility Model) - Microsoft PowerPoint (Product Activation Failed)". The window also shows the "File" menu, "Home" tab, and a "Slides" pane on the left. The status bar at the bottom indicates "Slide 3 of 41" and "English (India)".

Dr. Rakshak Jain
Director (Incharge)

Ref: EMRC/Certi/ 1222

Dated: 25.04.2017

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. G. L. Devnani has contributed as a Subject Expert for 03 video lectures as well as e-content modules of the same on Industrial Chemistry subject, for MHRD's NME-ICT Project through CEC New Delhi. He has also contributed as a Researcher as well as Presenter for 08 video lectures and e-content modules of the same.

I wish him all the very best for his future endeavors in life.

(Rakshak Jain)
