CERTIFICATE OF APPRECIATION

The World's First Smart Protein Digital Lab The India Smart Protein Innovation Challenge (ISPIC) 2021

This is to certify that

Tushar Pandey

of

Harcourt butler technical university

has scored

67.50%

to successfully complete Phase 1 of **The India Smart Protein Innovation Challenge**, which witnessed the participation of 750 candidates across 250+ universities and organizations in India. The candidate has shown a keen interest and understanding of the smart protein sector and was among the top 318 candidates who scored above 50% after an in-depth study of 40+ hours of content - including research papers, market report, podcasts, webinars, and continuous assessment via 8 quizzes - to qualify for Phase 2 of the Challenge.

ISPIC 2021 is a 5-month-long, expertly structured journey - from September 2021 to February 2022 - and invites participants to fill key white spaces across the value chain of plant-based, cultivated, and fermentation-derived protein (collectively referred to as 'smart protein'). Phase 1 ran from **September 17 - October 14, 2021**.

The challenge is organized by **The Good Food Institute India (GFI India)**, in collaboration with sponsors and partners, and is a part of our mission to build the smart protein ecosystem and accelerate path-breaking innovation and investment in the sector. Please check www.smartproteinchallenge.in for more information.

The World's First Smart
Protein Digital Lab

The India Smart Protein
Innovation Challenge

To whomsoever it may concern

This is to certify that
Akanksha Singh

of
**HBTU Kanpur - Harcourt Butler Technical
University**

has scored
81.2 %

marks to successfully qualify the Phase 1 i.e the Induction Phase of a first-of-its-kind initiative - The India Smart Protein Innovation Challenge, which witnessed the participation of over 1085 candidates across 250+ universities and organisations across India. The candidate has shown a keen interest and understanding of the sector by appearing amongst the top 577 candidates who scored above 60% after an in-depth study of over 40 resources like research papers, market report, podcasts, webinars, and continuous assessment via 8 quizzes to qualify for the Phase 2 of the Challenge.

Phase 1 lasted from **18th July to 15th August 2020**. The challenge is spread over four months in four distinct phases and ends in October 2020.

The challenge was organized by The Good Food Institute India and its core organizing partner Gastrotope Pvt. Ltd., who are together working towards building the ecosystem for path-breaking innovation and investment in plant-based, cultivated, and fermentation-based meat, eggs, and dairy - also known as the 'alternative protein' or the 'smart protein' sector.
