

NOTIFICATIONS

Dear Sir/Ma'am,

- GeM has launched the Push button procurement functionality on experimental basis enabling buyer to buy upto 1 lakhs simplifying the procurement process and require minimal intervention from buyer. This is system driven procurement enabled for the limited 50 categories . This has been enabled vide DoE OM number [F-6/7/2022-PPD dated 6th sept 2022](#). The buyer may refer the [push button procurement manual](#) for further details. The details of categories enabled for PBP is [available here](#). The key guidelines for PBP are as follow
 - (a) PBP will be made only on GeM through bidding (PBP through Direct Purchase, L-1, Custom-bid etc. are not permitted).
 - (b) The total procurement value of the specific case is not to exceed Rupees One lakh, inclusive of all taxes.
 - (c) This will be additional method of procurement and procuring entities are free to use or not to use this additional method of procurement.
 - (d) This method can be used only in case of at least five bids are received. In case of less than five bids are received, the procurement is to restart using usual procurement methods.
 - (e) No splitting of requirement is to be done so as to bring procurement under this method.
 - (f) Once bid is invited on GeM, contract will be placed directly by GeM without any human intervention. (Provided condition 3 (d) above is complied.)
 - (g) This method will be permitted by GeM only for such categories, where at least ten sources are listed.
