Sir

With due respect, It is to bring to your kind notice that I am going to present my research work entitled "Electronic structure and transport property of Bilayer MoSe₂ with AA and AB Stacking" in the 66th DAE Solid State Physics Symposium (DAE-SSPS 2022), which is scheduled to be held during December 18-22, 2022, at Birla Institute of Technology (BIT) Mesra, Ranchi, Jharkhand, India.

The presented paper will be published in the American Institute of Physics (AIP) conference proceeding with a nominal surcharge of Rupees 6500/ only, to be paid one time.

In view of above, I will not be available in the Department/University to discharge my duties from 19 - 22 Dec, 2022. I have arranged my classes and Lab duties at department level for the above duration.

Kindly grant me special casual leave (SCL) from 19 - 22 Dec, 2022, along with permission to leave the station from 17 Dec, 2022 (night) to 23 Dec, 2022 (Morning). Also, grant me financial and administrative approval for the reimbursement of TA/DA, registration fees, and conference proceeding charges (i.e. Rupees 6500/.) to attend the above conference.

Thanking you

Forwarded for favourable decision

With due respect, It is to bring to your kind notice that my research work entitled "**Strain-induce electronic structure and bandgap transition in bilayer MoSe₂ of AB and AA stacking order**" is accepted for an oral presentation at the **International IEEE CALCON Conference**, which is scheduled be held in **Kolkata, India, during 10-11 Dec 2022 (Annexure-1)**. This accepted conference paper is going to publish very shortly in the IEEE conference proceeding.

In view of above, kindly grant me financial and administrative approval for the registration fees only, because the above paper is to be presented by my student (Ms. Sayantika Chowdhury) who is registered for her Ph.D. degree at Jadavpur University, Kolkata and I am registered her Ph.D Co-supervisor, when I was working as DST-INSPIRE faculty before joining HBTU, Kanpur as Assistant Professor.

Thanking you
