

Hindi Diwas Celebration 2025

Organized by: Department of Biotechnology,
School of Pharmaceutical and Biological Sciences, HBTU Kanpur

Date: 14th September 2025 (Hindi Pakhwada Celebration)

Venue: HBTU East Campus

Mode of Conduct: Offline

Overview

The Department of Biotechnology, School of Pharmaceutical and Biological Sciences celebrated Hindi Diwas as part of the Hindi Pakhwada on 14th September 2025 to promote the use and importance of Hindi as the national language. The event emphasized linguistic pride and cultural heritage.

Activities Conducted

Hindi Vachan (Recitation) by Students – Students presented Hindi poems, dohas, and literary excerpts from renowned authors and poets such as Kabir Das, Harivansh Rai Bachchan, and Ramdhari Singh Dinkar. This segment created a vibrant literary atmosphere and celebrated the beauty of Hindi literature.

Recognition & Participation

A large number of students participated enthusiastically. The contribution of student volunteers was recognized for efficient management of the event. Faculty members encouraged students to actively participate in such language promotion activities.

Outcome

The celebration reinforced respect for the Hindi language and its role in national identity. It encouraged students to embrace and promote linguistic diversity and cultural values.
