

## Teacher's Day, 5 September

This picture captures the celebration of Teacher's Day 2025 in the Biochemical Engineering Department of HBTU Kanpur. The faculty members and students came together to honour and appreciate the invaluable role of teachers in shaping young minds and guiding them toward success. The biochemical engineering seminar hall was decorated for the occasion, with cakes placed on the table and "Happy Teacher's Day" written on the board, adding to the spirit. The smiling faces of teachers and students reflected warmth, respect, and gratitude. This celebration served as a heartfelt tribute to the mentors who dedicate their time, knowledge, and effort to nurturing future engineers and inspiring excellence in education.

The event began with students expressing their gratitude through speeches and small tokens of appreciation, highlighting the impact their teachers have made on their academic and personal growth. The atmosphere was filled with joy, laughter, and nostalgia as both teachers and students shared memorable moments from their journey together. The celebration also served as an opportunity for students to reflect on the importance of mentorship and the values instilled by their educators.

As the program concluded, everyone gathered around to cut the cake and capture memories of the day through photographs. The occasion strengthened the bond between teachers and students, fostering a sense of unity and mutual respect within the department. Teacher's Day 2025 at the Biochemical Engineering Department of HBTU Kanpur truly stood out as a warm and meaningful celebration of gratitude, inspiration, and learning.
