

World Ozone Day Celebration 2025

Organized by: Department of Biotechnology,
School of Pharmaceutical and Biological Sciences, HBTU Kanpur

Date: 16th September 2025

Venue: HBTU East Campus

Mode of Conduct: Offline

Theme: “Montreal Protocol: Keeping Us, Our Food, and Vaccines Cool”

Overview

The Department of Biotechnology, School of Pharmaceutical and Biological Sciences, HBTU Kanpur, observed World Ozone Day 2025 on 16th September to raise awareness about the importance of protecting the ozone layer. The event aimed to sensitize students toward sustainable environmental practices and the global significance of the Montreal Protocol in safeguarding human health and the planet.

Activities Conducted

Student Presentations – Selected students gave short talks on global environmental challenges and sustainable solutions.

Pledge Ceremony – Participants took a pledge to adopt eco-friendly practices in daily life.

Recognition & Participation

The event saw active participation from students of B. Tech Biotechnology. Student volunteers efficiently managed logistics and refreshments were provided to promote informal discussions on environmental awareness.

Outcome

The event strengthened environmental consciousness among students and encouraged their proactive engagement in climate action initiatives. It reinforced the university’s commitment to sustainable development and environmental protection.
