Subject: **Placement of Undergraduate, Postgraduate and Ph.D. students of HBTU, Kanpur.**

Dear Sir/ Madam,

Harcourt Butler Technical University (formerly Harcourt Butler Technological Institute, Kanpur – established in 1921) is one of the pioneering institutions in the country in the field of engineering, technology, innovation, and training. Since its inception, HBTU has stood as a beacon of excellence and has produced professionals who exemplify ambition, creativity, persistence, and integrity – the hallmark qualities of a true *Harcourtian*.

The University offers well-structured degree programs across various disciplines of Engineering and Technology. At the undergraduate level, programs are available in Computer Science & Engineering, Information Technology, Electrical, Electronics Engineering, Chemical, Civil, Mechanical, and Chemical Technology with specializations in Biochemical, Food, Leather, Oil, Paint, and Plastic Technology. Postgraduate programs are offered in Civil, Chemical, Mechanical, Electrical, and Electronics Engineering, along with Chemical Technology and MCA.

HBTU consistently produces engineers and technologists of high calibre who are equipped to meet global standards and deliver technological benefits to society. With a competent faculty and a focus on holistic student development, our graduates are recognized for their expertise across specialized industrial domains.

The upcoming batch of undergraduate and postgraduate engineers/technologists will be available from **August 2026**, ready to contribute to dynamic, growth-driven, and visionary organizations both in India and abroad.

We extend a cordial invitation to you and your team to visit our campus, engage with our students, and conduct campus recruitment interviews at your convenience. Alternatively, you may share your hiring requirements with us so we can notify eligible candidates and forward suitable resumes for your kind consideration.

We look forward to collaborating with your esteemed organization.

Yours Truly,

Dr. Naveen Kumar Gupta
