Date: December 30<sup>th</sup> 2025

## CORRIGENDUM

The University vide its File No. HBTU/ESTT./01/2025 dated 15.10.2025 (Advertisement No. Advt. No.DC-06/25, DC-10/25, DC-14/25) had invited online applications for direct recruitment to faculty positions in various departments of the University. The applications of the candidates received up to the last date were scrutinized by a duly constituted screening/ scrutiny committee and eligibility assessed/ scores awarded as per guidelines. The eligibility and API scores were uploaded on December 16<sup>th</sup> 2025 on the University website (under the "Recruitment 2025" tab). The candidates were advised to go through these lists and submit their grievances/objections only at the Email Id: [recruitment2025@hbtu.ac.in](mailto:recruitment2025@hbtu.ac.in) latest by December 23<sup>rd</sup> 2025 (Tuesday, 05.00 PM) along with authentic documentary evidence. All the grievances/objections (along with documentary evidence to support their claim) received up to December 23<sup>rd</sup> were again put up before the Screening committee for consideration, if found valid. Based on the recommendations of the screening committee, the revised eligibility/API scores were uploaded on December 26<sup>th</sup> 2025.

Even after displaying the final revised eligibility and API scores on December 26<sup>th</sup> 2025, it was observed that few grievances could not be addressed inadvertently. All such grievances were perused again by the respective screening committees. Based on the recommendations of the screening committees, the revised API scores of the concerned candidates only are being uploaded. Please note that this notification contains the **FINAL AND FREEZED API Score**.

The eligibility, API scores of rest of the candidates and the "Notes" mentioned in the Notification issued on December 26<sup>th</sup> 2025 remains the same.

**This has approval of the competent authority.**

**(REGISTRAR)**

**Chemical Engineering – Assistant Professor**
