NSS Sub council organized Motivational Talks for Block Youth on Aug 12, 2021
(Celebration of Youth Day)

An event was organized by team NSS on 12 August 2021, in front of Radha Krishnan Auditorium. It was celebrated worldwide to amplify the message that action is needed across all generations to achieve the Sustainable Development Goals and leave no one behind. We gathered 50 people especially youth to make them aware of this and its importance.

The event started at 11:00 am sharp wherein we raised awareness on certain barriers to inter-generational solidarity, notably ageism, which impacts young and old people while having detrimental effects on society as a whole. We also educated them about the life of Swami Vivekananda who was one of the greatest philosophers and spiritual leaders. We conveyed his ideas on how the young should participate in the modern world while upholding their values. We knew that this could be a great source of inspiration. We made them aware of the power of youth and the change they can bring if pushed in the right direction. Lastly, we pledged to join hands across barriers and work as one to achieve a more equitable, just, and inclusive world for all people. The event ended within 3 hours and it went well. The world needs the power of youth to bring change and every person should know that he/she can contribute a lot to countries' development by doing small things.

The New Education policy came into existence when the Union Cabinet chaired by the Prime Minister Shri Narendra Modi approved the National Education Policy-2020 on July 29, 2020. This is the third Education Policy in India after independence (1968, 1986 and 2020). The new National Educational Policy-2020 seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country. Further he apprised the educators that the New Education Policy is based on the pillars of “access, equity, quality, affordability, accountability” and it will radically transform India into a “vibrant knowledge hub”. He also talked about the Skill development programs for preparing future ready students.

There was a Q&A session in which the teachers and students expressed their concerns and raised queries which were addressed by Mr. Prithvi Pati sir, Mr Sunil sir, Mr Alok Kumar sir etc. It was a very enriching and informative session. All the participants were filled with new zeal to start working on its implementation in their own spheres.

The concept of literacy was elaborated among students in the morning. WOMEN CELL HBTU Convenor Dr. Reena Singhal said literacy was the prime requisite for learning and played a vital role in restraining population growth, curbing poverty, establishing gender impartiality and a bright promise for growth. Students were encouraged to opine about the significance of the day. Students of senior wing discussed their aspirations and future goals with their teachers.

So, these were some of the important points covered in that session.

NSS Sub council organized a seminar on Importance of family on Oct 03, 2021

NSS HBTU organized this on 3rd October 2021. Various activities were organized for the tiny tots to realize and perceive the value of family in their life.

It enabled 80 students to recognize that the family provides a sense of belonging and a unique identity to them. It also created a special emotional feeling among the students about their family.

The celebration started in campus where students were allowed to express their feelings about their families. In groups, the students were asked to make a family tree with their photographs and names pasted on it.

Bulletin Boards were decorated with pictures and quotes depicting the importance of family. Fun-filled activity-oriented worksheets were prepared by the teachers to instill the message that family is like branches on a tree, that grow in different directions yet the root remains the same.

It was a day full of fun and excitement for the students and would definitely be a memorable day in their life. In today's fast-growing world, such activities revive and rekindle the importance of love and affection among the members of a family.

Finally, the session was concluded by NSS Convenor Prathvi Pati sir by delivering a vote of thanks.
