**Notice**

To  
All students,

At the time when entire nation is under *lockdown* state due to COVID-19 global pandemic, you have been advised to stay home and remain safe in compliance with government directives. At the same time, we are also concerned with your studies and advise you to utilize your quality time with full potential, while being at home, towards your studies. The faculty members are putting in so much effort to help in your studies through online mode using Zoom Cloud Meetings, Google Classroom, WhatsApp etc. The study material is also being uploaded on HBTU website continuously. In addition to this, you may also learn through *NPTEL, MOOCS, SWAYAM, You Tube* etc. and from other freely available teaching sites.

In this time of difficulty, you are advised to sincerely attend the online classes/E-lectures being conducted by the faculty and remain in touch with them for any of your queries.

At the end, I would reiterate that please *remain indoor, maintain personal hygiene, adopt social distancing* and follow government directives to help avoid community transmission of COVID-19.
