Report on Celebration of World Environment Day - 2023

The United Nations designated 5th June as a World Environmental day to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet. Keeping this aim in view, Department of Biochemical Engineering (School of Chemical Technology) celebrated World Environment Day on 5th of June 2023 followed by plantation of trees.

Students of various department and faculty members have participated with full energy in this program in seminar room of Department of Biochemical Engineering at HBTU Kanpur. HOD of Department, Dr. Lalit Kumar singh, Pro. Vice-chancellor Prof Diptee Parmar, DSoCT Prof. Reena Singhal, Sri Brajesh Singh, Sri Jitendra Kumar, Dr. Shravan Kumar (coordinator of this event), Ms. Roma Agrahari, Dr. Abhishek Kumar Lal, Dr. Vikas Yadav, Dr. Dilip Kumar, Mr. Praveen sachan, Mr. Arvind Kumar Singh and Shri Shashikant grace this event by their benign presence.

The seminar was presided over by the HOD, Dr. Lalit Kumar singh of this event. He briefed about the importance of this day and tells us what steps we should take immediately so that we can make our environment healthy. He addressed the audience and honored to "**Environment Friend**" Shri Rajendra Prasad employee of the university and hoped that the same level of enthusiasm and sincerity will be maintained by others towards the a healthy environment in the years to come. DSoCT Prof. Reena Singhal mentioned that the theme of World Environment Day 2023 is to "**solution to plastic pollution**" and she delivered a lecture on "Say no to single-use plastic". Shri Brajesh Singh gave a speech about how the condition of our environment today is and why we need to be aware, educate and protect. He lauded the efforts of staff to be environmentally friendly. Sri Jitendra Kumar enlightened and motivated to the students that how we can minimize, reuse and recycle of plastic in our daily life.

After this, Students and faculty members were asked to plant a sapling in HBTU campus to create a green corner. Pro Vice-Chancellor Prof Diptee Parmar with Faculty members and Students are planted tree saplings & encourage others to plant trees. On this occasion, Pro Vice-Chancellor added that we all should devote some time from our daily schedule towards nature, and put efforts to preserve our Bio-diversity reserves.

A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about our ancestors the plants.

The celebration was ended after giving of vote of thanks by Dr. Shravan Kumar
