course structures and syllabi for Third semester onwards (From Third Semester to Eight Semester) were discussed at length and thoroughly deliberated upon. The adopted course structures and syllabi are annexed herewith as Annexure I.

3. Discussion/modification/improvement in the name of courses offered for B. Tech-Chemical Technology -Plastic Technology by Plastic Technology department.

The title names of various courses and practical laboratory works were discussed and the approved course titles are mentioned in the course structure annexed at Annexure I.

4. Discussion/modification/improvement in detailed syllabus of courses of B. Tech-Chemical Technology-Plastic Technology offered by Plastic Technology department.

The detailed course syllabi and their contents of each theory course as well as laboratory/practical course were thoroughly scrutinized and deliberated upon. The modified courses and their syllabi is annexed at Annexure I.

5. Discussion/modification/improvement/addition/deletion of the courses and their syllabi offered by other Departments.

The courses to be taught by Chemistry Department, Electrical Department, Electronics Department, Civil Engineering Department, Computer science Department, Mechanical Engg. Department, Mathematics Department, Physics Department, and Humanities Department during semester I-VIII were provided by respective Departments. However, the syllabi of the courses offered by Department of Chemical Engineering were included as per the suggestions communicated by HOD, ChE vide his letter No. 275/Chem. Engg/18 dated 22.06.2018. All the courses of the syllabi of other departments were scrutinized and deliberated upon. Several suggestions were given by expert members. The experts suggested that the departments should provide updated list of reference books along with the CO's and PO's as per format of NBA accreditation. It was also suggested to maintain the uniformity by all the departments. Modified syllabi of various courses were provided by respective Departments. The course content of some of the department was not as per directive prescribed by university. Therefore, It was decided that the modified syllabi provided by Departments will be discussed among faculty members of the Department and The Chairman, BOS was authorized to approve the courses and their contents.

6. Any other matter with permission of Chair.

The suggestions sent via email by Dr. Pradeep Agarwal, Industry Nominee, were put before the expert members. The expert members found the suggestions, as sent by Dr Agarwal, were valuable and accordingly, these were incorporated into the syllabi. However, his suggestions regarding training will be as per the university norms.
