Minutes of Board of studies meeting (BOS) Meeting held on July 3, 2018 at 10:30 AM in the room of Head of Department, Chemical Engineering

In the meeting the Vision, Mission , Program Educational Objectives (PEOs), Program Specific Outcomes (PSOs) were discussed and finalized by BOS members. After that, discussions and deliberations were made on structure, syllabus and contents of B.Tech Chemical Engineering and few changes were made in the structure of B.Tech which was incorporated. Committee also proposed that the total credit should be flexible upto 180 credits so that students can get opportunity to learn more subjects of Chemical Engineering. Committee also advised to add the latest editions of text books related to the subjects. Committee authorized Chairman BOS to make necessary changes along with consent of other faculty members.

The signed copy of final version of Vision, Mission, PEOs , PSOs and course structure along with list of electives is attached here with.
