

CURRICULUM VITAE

Dr. Adarsh Kumar Arya

Email: aarya@hbtu.ac.in; adarsharya212022@gmail.com

Contact No: +91-9927741369

PROFILE SNAPSHOT

- A competent professional with nearly 20 years of experience in Research and Development / delivering lectures to chemical engineering graduates and post graduates.
- Exercises judgment within generally defined practices in selecting methods & techniques for obtaining teaching solutions; ensuring compliance to quality measures and maintenance requisite documentation as well as records
- Skills in managing the administrative activities entailing student management, faculty appraisal/training and upholding of the institution's motto
- Proficiency in **teaching Oil and Gas Pipeline and core chemical engineering subjects** to Chemical Engineering Graduate and post graduate students.
- Experience in developing curriculum to accommodate different learning styles & maximize students' comprehension
- **Received Annual Research award in 2021 at University of Petroleum & Energy Studies**
- **Received Rs. 1 lakh Research Award for the excellent research contribution at University of Petroleum and Energy Studies, Dehradun in 2022.**
- Worked on live projects with **T.A.N.A.P. Gas Pipeline Project at Worley Parsons.**
- Exposure in planning and organizing day-to-day research activities and resolving the procedural problem as appropriate to the timely accomplishment of research objectives
- An effective leader with proven skills in leading teams during the project phase, training & guiding team members and enabling knowledge sharing among the team
- **Provided consultancy to Indraprastha Gas Grid Limited (IGGL) on Compatibility study on Transporting Hydrogen in Natural Gas Pipeline Networks.**
- **Handled project on ' Production of Anhydrous ethanol using salt'.**

ORGANIZATIONAL EXPERIENCE

- *Working as ' Associate Professor in the Department of Chemical Engineering at Harcourt Butler Technical University, Kanpur, India
- *Additional Responsibility: Working as Associate Dean in Incubation and Startups.
- * Coordinator for Prime Minister- Uchhatar Siksha Abhiyan (Uttar Pradesh)
- *Worked Since Jul '08 to June 2022 with Petroleum University – University of Petroleum and Energy Studies, Dehradun Chemical Engineering Department as 'Assistant Professor(Selection Grade)'.
* Worked at Worley Parsons Mumbai in TANAP Gas pipeline project.

Key Result Areas:

- Fostering a healthy learning atmosphere in class and responding to all classroom queries spontaneously, empathic manner; ensuring discipline by observing students' work, behaviour and attendance.
- Guiding university subjects to undergraduate & postgraduate students; reviewing pre-set educational goals, objectives & classroom instructional programs, establishing academic/other performance objectives
- Evaluating curriculum, teaching methods & programs for designing subjects to determine their effectiveness and efficiency, thereby ensuring that Institute activities

- Teaching as per academic curriculum to students, recognizing, respecting & nurturing the creative potential of each student; preparing exercises, questionnaires and assignments for students at various levels

Highlight:

- Project and Placement Coordinator for **M.Tech. Chemical & M.Tech. Pipeline Engineering (Spl. Process Design) at University of Petroleum & Energy Studies, Dehradun.**
- **Co-ordinator** M.Tech. Chemical Engineering, HBTU Kanpur.
- Teaching Design of 'Pipeline Transportation of Oil and Gas' to M.Tech. Pipeline students from last seven years.
- Taught Fluid Mechanics, Mass Transfer, Heat Transfer, Chemical Reaction Engineering, Material and Energy Flow Computation to graduate and post-graduate chemical Engineering students.
- Faculty Convenor-IChE(Indian Institute of Chemical Engineers)

Sep' 05- Jun '08 at I.M.S.E.C., Ghaziabad as Lecturer in Chemical Engineering

Highlights:

- Imparted training to the students on chemical engineering subjects with implications on industrial units, including Heat Transfer, Mass Transfer, Mechanical Operations, Fluid Mechanics, Chemical Reaction Engineering, Mass and Material Balances

No. of Patents: 5

No. of Consultancies: 1

ACADEMIC DETAILS

- Ph.D (Chemical Engineering/ Natural Gas Pipeline Optimization) from University of Petroleum & Energy Studies, Dehradun in 2015 (**Phd Topic: Multi-objective Optimization of A Multi-nodal Gas Pipeline**).
- Piping Engineering from I.I.T. Mumbai, 2008
- M.Tech. (Chemical Engineering) from H.B.T.I., Kanpur in 2005. (First Division with Honors)

- GATE qualified with Percentile 93.31 (A.I.R. 381) in 2004.
- B.Tech. Chemical Engineering from B.I.E.T., Jhansi in 2002.(First Division)
- 12th from J.I.C. Lucknow in 1997 (First Division).
- 10th from J.I.C. Lucknow in 1995 (First Division)
- Guided scholar for PhD (**As Main Supervisor**) -SS GUPTA . PhD Thesis Topic-Optimizing Maintenance and Inspection Practices to minimize 3rd Party Damage Probability in Liquefied Petroleum Gas Pipeline (LPG) In INDIA(**PhD COMPLETED**)
- Guided PhD (**As main Supervisor**)- Ajit Thakur. PhD Topic. Aletrnating Current Induced Corrosion In pipelines(**PhD completed**)
- Guiding One PhD scholar (As Single Supervisor); Topic: Computational Studies in Hydrogen Blend Natural Gas Transportation
- Guiding one student from Oil India Limited- Guwahati (Topic- Optimization of multicrude pipeline networks)

CERTIFICATIONS

- Attended a workshop on 'Defect Assessment & Maintenance in pipelines' organized by PETROFED from July 26-28 July 2010.
- Obtained certificate on regional workshop and brainstorming session on water quality management and river bank certification, organized by U.C.O.S.T. on 4 Feb 2012.
- Obtained certificate of attending one week short term program on retail management practices in Indian industries at I.M.S. Ghaziabad from April 2008 to ay 2, 2008.
- Attended Complimentary seminar on MATLAB and Simulink for engineering education on 20 July 2012.
- Certification for successfully attending certificate courses on petroleum refining and petrochemicals organized by Petrotech and I.I.P.M. Gurgaon.
- Certificate for poster presentation on the production of anhydrous ethanol using salt at I.M.S. Ghaziabad. Certification for participating as a committee member at I.M.S., Ghaziabad from 18-19 January.
- Certification on organizing INTERFACE-2004 at H.B.T.I. Kanpur.
- Certification course on 'Transportation of Oil and Gas Through Pipelins' organized by the Petroleum Federation of India from 08-10 July 2009.
- Internship at Shriniwas Fertilizers Limited from 25/06/2001 to 02/08/2001.
- Member and Faculty Advisor of Indian Institute of Chemical Engineers at University of Petroleum & Energy Studies, Dehradun.
- Attended. Faculty Development program from NTTR Bhopal

PERSONAL DETAILS

Marital Status:	Married
Languages Known:	Hindi, English
Permanent Address:	S/o Sri Shiva Nath Arya, 538K/1240, Triveni Nagar-II, Sitapur Road, Lucknow-226020
Correspondence Address:	Dr. Adarsh Kumar Arya, Associate Professor, Department of Chemical Engineering, HBTU, Kanpur
