One Day National Webinar On

Online Education in Technical Institutions: A New Normal

(As a part of Centenary Year Celebration of HBTU, Kanpur)

About:

The COVID-19 pandemic has forced global shutdown of several activities, including educational activities, which has resulted in tremendous crisis-response migration of technical institutions with online learning, serving as the educational platform. This sudden shift away from the classroom teaching in many parts of the globe has some pros and cons. Some are pondering whether the adoption of online learning will continue to persist post-pandemic, and how such a shift would impact the worldwide education. The use of technologies in online teaching & learning and the video creation & editing will be the topics of discussion.

WHEN: AUGUST 27, 2021 (FRIDAY)

TIME: 11:00 A.M. TO 4:00 PM

PLATFORM: GOOGLE MEET

About HBTU Kanpur

It roots back to 1920 when the government of United Provinces established "Government Research Institute" in 1921. Finally in 1926 it got the name "Harcourt Butler Technological Institute" by which we had been knowing it till August 2016. From September 2016 HBTU Kanpur got the status of HBTU Kanpur i.e. Harcourt Butler Technical University Kanpur, by Government of Uttar Pradesh. It was previously a Government Organization, but w.e.f. 26.03.1965, it was declared as an autonomous body and thereafter became University. The HBTU Kanpur is technical university, financially aided by UP government.
