Turnitin Agreement

REGISTRATION AGREEMENT

This REGISTRATION AGREEMENT ("Agreement") is made as of [April] [11], 2022 (the "Effective Date"), by and between TURNITINDIA EDUCATION PVT LTD ("Turnitin") and NAME OF INSTITUTION ("Harcourt Butler Technical University")

1. **OVERVIEW.** Turnitin has developed and operates a unique service that allows Academic and Research institutions to check works/project reports/research papers/assignments of teaching faculty, research scientists/scholars, research/teaching assistants and U.G./P.G. students for possible textual matches against Internet-available resources and its own proprietary database (the "Service") and enables Teaching Faculty to use online grading and assessment for Students' written assignments, research papers, project reports, etc. Institution desires to protect and promote academic and research integrity in its curriculum and research output and wishes to subscribe to the Service as a tool for detecting and preventing plagiarism and promoting online grading and assessment of written assignments, research papers, project reports, etc. as part of its curriculum and pedagogy.
2. **SERVICES LICENSE GRANT.** During the Term and subject to Institution's compliance with the terms and conditions of this Agreement, Turnitin hereby grants to Institution a non-transferable, non-exclusive subscription license to use the Service. This subscription license shall extend to teaching faculty, non-teaching faculty/administrative staff, research scientists, research scholars, research/teaching assistants, at its campus(es) specified in the attached Turnitin's Service Pricing Agreement ("SPA"), incorporated herein as Exhibit A, that are provided end-user licenses (Instructor-profile) (collectively, "Instructors"), and U.G./P.G. students that are provided end-user licenses (Student profile) (collectively, "Students") by the Institution but only for their use in classes and/or research projects offered through Institution and provided that Instructors and Students shall be subject to the terms and conditions of this Agreement and shall be bound by its provisions as members of Institution (explained further below). Institution shall be responsible for ensuring their Instructors and Students comply with the terms of this Agreement. No other license is granted by implication, estoppel or otherwise.
 - a. Institution must activate either a Single or Multi Campus subscription with
 - End-user licenses (Instructor-profile) for Teaching Faculty/Non-teaching Faculty/Administrative Staff/Research Scientists/Scholars/Research/Teaching Assistants, and
 - End-user licenses (Student-profile) for U.G./P.G. students
 - b. A campus subscription with end-user licenses is required for every campus/location where the service may be used.
 - c. End-user license activation
 - An end-user license (instructor-profile) is required for every Teaching Faculty/Non-teaching Faculty/Administrative Staff/Research Scientists/Scholars/Research/Teaching Assistant who has to check his/her own research papers/project reports and/or is required to check the papers/assignments of students having an end-user license.
 - An end-user license (student-profile) is required for every U.G./P.G. student who has to either submit his/her own paper/assignment/project report or whose paper/assignment/project report has to be checked by another licensed end-user (Instructor-profile) i.e. by a Teaching Faculty/Non-teaching Faculty/Administrative Staff/Research Scientists/Research/Teaching Assistant having an end-user license (Instructor profile).
3. **USE OF SERVICE.** With respect to use of the Service, Institution shall:
 - a. abide by the Acceptable Use Policy set forth in the Usage Policy for the Turnitin.com site, incorporated herein by this reference, as may be revised by Turnitin from time-to-time. Any such revisions to the Acceptable Use Policy will be posted on the Turnitin.com site. Continued use of the Service shall constitute Institution's and its Instructors' acceptance of future revisions to the policy;
 - b. use the Service only in connection with classes offered or research projects undertaken or in-house publications in its own Institution, by its own Instructors and Students for the purpose of submitting papers for evaluation and shall not rent, lease or provide access to or benefits from the Service to any other institution or individual;
 - c. use reasonable efforts to retain the confidentiality of any Service passwords;
 - d. not make statements to Students that Institution is using the Service in a given class or project when such class or project is not registered (Note: even within a particular class using the Service, for purposes of fairness and equal application, Turnitin strongly recommends requiring Student submission of all papers rather than submission by Instructors only of papers singled out by Instructor);
 - e. consider Turnitin's strong recommendation that the course syllabus of each course making use of the Service carry a notice substantially to the effect of the following: "Students agree that by taking this course all required papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Usage Policy posted on the Turnitin.com site." If use of the Service is instituted after distribution of the syllabus, then Institution shall consider Turnitin's strong recommendation that equivalent written notice is provided by the Instructor to the Students;
