D.Membership Growth

The emphasis has been given to reach out to the alumni worldwide. When the Executive Committee of the Alumni Association, HBTI Kanpur, took over on 7 Jan 2018, the efforts were made to use the digital platform to reach out to the alumni and the registration drive was started based on the digital platform. From nearly 1000 numbers, including life member and registered members, these details were digitized and further registration was made online. **It helped us in reaching out to the over 3200 additional registrations so far out of which nearly 600+ have become life members. This growth has been phenomenal as in short span of 22 months this number has increased 4 times.**

This growth has led to **formation of new Chapters of Alumni Association** in various cities. The Alumni Association has approved the formation of the 4 chapter in **Bengaluru, Pune, Faridabad and Lucknow** with new Chapter Executive Committee taking over. The efforts are there to form the new chapters in Dehradun, Agra/Mathura, Meerut, Hyderabad, Roorkee/Haridwar, Jhansi, Etawah, etc.

The small step by alumni member by way of becoming the life member of the Alumni Association would go long way in helping the student to connect with alumni and developing the synergy so as to bring better dividend to the Alma Mater in longer run.
