Mentoring System at H.B.T.U., Kanpur

Mentoring System for 1 Year students:

HBTU conducts an Induction Program at the commencement of each academic year, in accordance with AICTE guidelines, aimed at facilitating the seamless integration of new students into university life. This program is designed to instill healthy habits, foster camaraderie among peers and faculty, and cultivate self-awareness and societal consciousness.

During the Induction Program, mentors are assigned to newly enrolled B.Tech students, with faculty members assuming the role of mentors for groups of 20 students. Regular meetings are scheduled to provide students with a platform to address academic, professional, and personal matters, thereby contributing to their overall growth and development.

Mentoring System for 2nd year onwards:

As students progress into their second year and beyond, continued support is extended throughout their academic journey, with mentors selected from their respective departments. HBTU remains steadfast in its commitment to nurturing the holistic development of students, ensuring their academic success and personal fulfillment.
