MENTOR - MENTEE MEETING

Date: Nov 21 Name of Mentor: Dr. Rajesh Katiyar Class / Branch / Group: 3<sup>rd</sup> B.tech / CHE / 5  
(Mentor and Mentee - please sign it at back with name and date. Hold 4 meetings in an academic session.)

1. Discussions about Career Counseling

In discussion sir guided us on:-

- i) Higher Education :- Pursuing M.tech from IIT's & Abroad.
- ii) Role of chemical engineer :- Major role is optimisation of industry / production.

Chemical engineers are in various position. Designing a technical as a commission in engineer etc.

- iii) Job opportunities in Petroleum Refinery, Fertiliser industry, cement industry & energy units etc.

As a chemical engineer we need to have little knowledge about electrical & mechanical etc. Since we have to work together.

2. Discussions about Competitive Examination Guidance

In discussion sir guided us about various competitive exam's after B.tech:-

- i) GATE :- We need to qualify gate with good rank to get job's in PSU's and to pursue M.tech in IIT's.
- ii) CAT :- We need to qualify gate to go into technical field. But for management or pursuing MBA from a good college we need to qualify CAT with good rank.

3. Other discussions

In other discussion sir told us to improve communication skills, presentation skills, to improve english speaking.

Sir told us about various other co-curricular activities, to take part in them as it is good for our personality development.
