# TRAINING AND PLACEMENT CELL
H.B.T.U. KANPUR - 208002

Industry Interaction- Samsung R&D, Bangalore
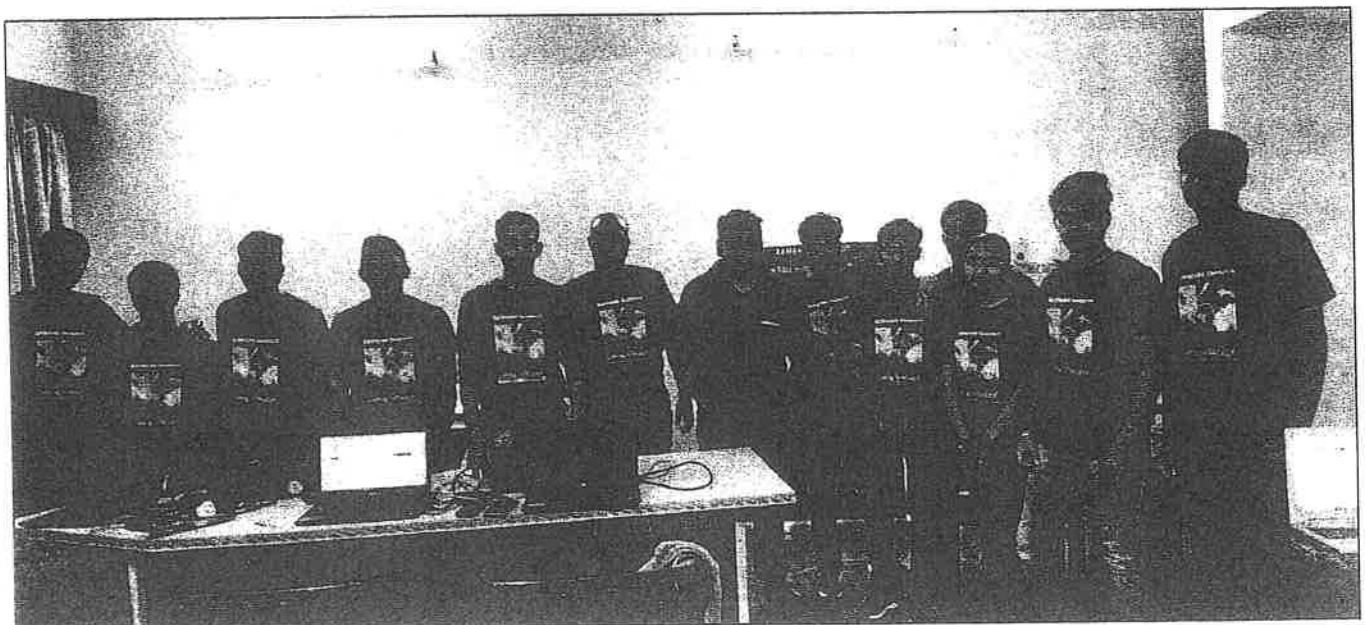

Date: 03-March-2019

The **Training and Placement Cell** of the university organised an industry interaction programme for B.Tech CSE/IT students to make them competition ready while delving into the corporate world.

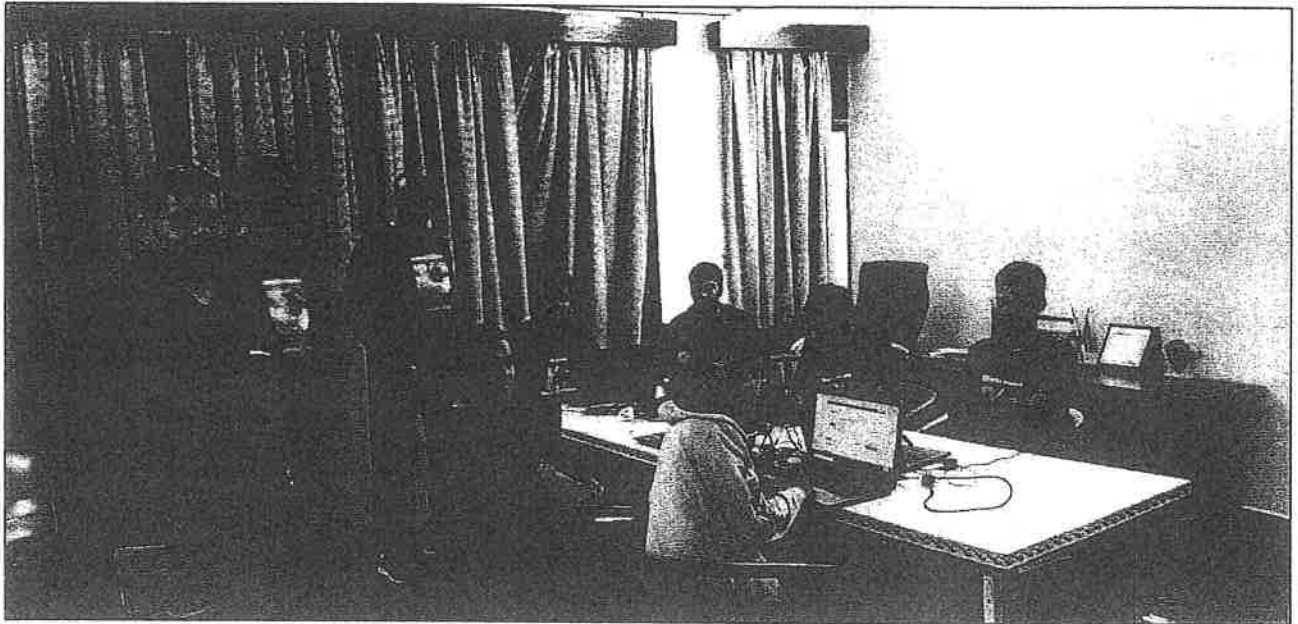

For this purpose Samsung R&D Bangalore organised Hackathon of 08 hours involving 04 coding questions to be solved by selected students in a team of two.

The team of Samsung R&D Bangalore, visiting the campus was comprised of:-

- Mr. Sudhir Kumar, Technical Head
- Mr. Shlok Kumar, HR
- Mr. Mohit Sharma, Technical Assistant

They share their valuable technical knowledge with the participants and motivated them to learn the concept of Computer Science in depth and also work on the implementation of the same.

The first position was secured by the Team of Sajal Jain and Vishal Mishra from B.Tech CSE, Final Year.

All the participants were given certificates and goodies.
