DPC.

I fully understand that quotations are to be evaluated by the DPC as per 'A' above. But as per your responsibilities, ^{as in charge of training activities} the action in this regard has to be initiated by you with the help of class-III staff in T&P cell. I can get it done directly through class-II staff also, but in that case you may feel ignored. Thus it is once again suggested to get the comparative chart prepared and DPC done at your instance.
